RE: Our Client: Robert Motta
Your Insured: Andrea Bird
Date of Loss: 05/24/20
Claim No.: IFX8179

Dear Ms. Phillips:

This firm represents Robert Motta in a bodily injury claim arising out of a motor vehicle accident involving your insured Andrea Bird on May 24, 2020. I am writing at this time to provide you with a settlement demand, along with all supporting documentation necessary to complete your evaluation of this claim.

LIABILITY

This collision occurred when your insured failed to yield the right of way striking Mr. Motta's vehicle. Consequently, liability is not an issue in this claim.

INJURIES

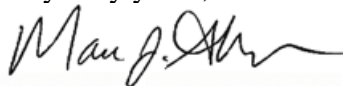

Mr. Motta went to Anew Chiro with complaints of pain to his right shoulder, neck, back and left hand. He was noted to have impaired posture; limited and painful cervical AROM; left grip weakness, along with diminished sensation in left 4th and 5th fingers. His subsequent treatment included physical therapy as detailed in the enclosed medical records. Mr. Motta was discharge from active care on February 25, 2021.

DEMAND

I believe a settlement demand of \$46,500.00 would be reasonable given the injuries and economic losses incurred by my client.

Please contact me to discuss the resolution of this claim at your earliest convenience. Thank you.

Very truly yours,

Marc J. Shuman
