More information

**ABOUT THE CONFERENCE**

Horizons in Nuclear Physics 2026, the first edition of a biennial conference, will bring together leading scientists, researchers, and students to exchange ideas, initiate collaborations, and explore the horizons of Nuclear Physics and its applications.

**THEMES OF THE CONFERENCE**

- Nuclear Structure
- Nuclear Reactions
- Nuclear Astrophysics
- Applications of Nuclear Physics

The conference will comprise invited talks and poster presentations.

**CONVENOR**

**Sujit K. Tandel**

Head, Department of Physics  
School of Natural Sciences  
Shiv Nadar Institution of Eminence  
Delhi – NCR 201314, India

Abstract Submission by  
**July 31, 2026**  
Last Date for Registration  
**August 14, 2026**

Suitable accommodation will be provided to all participants on the SNIoE campus at a nominal cost.

**REGISTRATION FEE**

Indian Faculty/Scientists: ₹ 6000  
Non-Indian Faculty/Scientists: US \$ 200  
PhD students/postdocs: ₹ 3000  
*Fee includes food on all conference days*

The proceedings of the conference will be published in a SCI-indexed journal. PhD students and postdocs should send their applications by email: [hinp@snu.edu.in](mailto:hinp@snu.edu.in); supervisors should separately send a reference letter.

**INTERNATIONAL  
ADVISORY COMMITTEE**

- D. Balabanski** (ELI-NP)
- P. Chowdhury** (UML)
- U. Garg** (Univ. of Notre Dame)
- R-D. Herzberg** (Univ. of Liverpool)
- A. K. Jain** (formerly IIT Roorkee)
- R. V. F. Janssens** (UNC, TUNL)
- R. Kanungo** (TRIUMF)
- F. G. Kondev** (ANL)
- J. Meng** (Peking Univ.)
- V. Nanal** (TIFR)
- A. C. Pandey** (IUAC)
- D. C. Radford** (ORNL)
- M. A. Riley** (FSU)
- A. Roy** (formerly IUAC)
- A. Shrivastava** (BARC)
- I. Wiedenhoever** (FSU)

Participants will optionally have an opportunity (at a nominal cost) to visit the famed Taj Mahal in Agra, which is a three-hour drive from the SNIoE campus, the day after the conference. A cultural program showcasing Indian classical music is scheduled on the second evening of the conference. A tour will be arranged to the renowned bio-diversity park located on campus, along with visits to research laboratories.
