Brothers,

We are under a National Emergency and an Alabama Public Health Emergency with the spread of the coronavirus (COVID-19). I want to make sure we stay informed with the current pandemic outbreak and ensure the safety of the brotherhood and chapter.

The Alpha Phi Chapter Executive Council and I have discussed items to help control the spread of the virus. **Until further notice all in-person chapter meetings, events, and functions have been cancelled or postponed.** This is also in line with the guidance of the Grand Basileus from the letter distributed to the brotherhood. The Executive Council and I will evaluate the pandemic situation weekly and provide the chapter with an update of any changes as it pertains to the state of the chapter and fraternity.

We ask that you take the necessary precautions to stay safe during this chaotic time. Here are a few health tips to aid in your safety:

- Wash your hands with soap and water often for at least 20 seconds
- Use hand sanitizer if soap and water are not available
- Cover your mouth and nose with a tissue or your sleeve (not your hands) when you cough or sneeze
- Do not touch your eyes, nose or mouth if your hands are not clean
- Practice social distancing - maintain 6 feet of separation
- If you are sick, call your physician and describe your situation
- If you are sick and don't know your doctor, call 211 or call the #COVID19 Hotline 1-888-264-2256
