## 2. What Information We Collect

The Eagle Corporation website is primarily an information site. The only personal information we collect is what you voluntarily provide when you submit an enquiry through our website contact form.

### 2.1 Contact Form

When you submit an enquiry through our contact form, we collect:

- Your name
- Your phone number
- Your email address
- Any message or attachments you choose to include

This information is collected solely for the purpose of responding to your enquiry.

### 2.2 Information We Do Not Collect

Beyond the contact form, the Eagle Corporation (Australasia) Pty Ltd website does not collect:

- Browsing history or behaviour data
- Device identifiers or IP addresses stored by us
- Location data
- Payment or financial information
- Any data from minors

### 3. How We Use Your Information

Information collected through the contact form is used solely to:

- Respond to your enquiry
- Follow up on matters raised in your enquiry where relevant
- Direct your enquiry to the appropriate venture or team member within the Eagle Group

We do not use your contact information for marketing purposes without your explicit consent. We do not add you to any mailing list as a result of submitting a contact form enquiry.

---

### 4. How We Store and Protect Your Information

Enquiries submitted through the contact form are received via our website platform (GoDaddy) and delivered to our designated email address. We retain enquiry information only for as long as necessary to respond to and resolve the matter raised.

We take reasonable steps to protect personal information from misuse, interference, loss, unauthorised access, modification, or disclosure. However, no internet transmission is completely secure, and we cannot guarantee the absolute security of information transmitted to us via the website.
