- Management reserves the right to accept conditionally, cancel any entries, disqualify riders as exhibitors, prohibit exhibition of entries, and cancel or combine classes.

BIOSECURITY PROTOCOL: PLEASE READ CAREFULLY

- **Communicable Disease Action Plan:** The US Equestrian Federation requires competitions to follow a communicable disease protocol for humans and equines. This show will implement an "Isolation Plan" as directed by the USEF. The plan is designed to mitigate the spread of disease and must be followed by all people on the show grounds. The most recent requirements will be emailed to competitors and are posted on the show grounds. To mitigate the spread of communicable equine disease, such as but not limited to Equine Herpes Virus & Equine Influenza, all people on the show grounds must understand and follow basic biosecurity protocols. All riders, drivers, vaulters, handlers, owners, trainers, coaches, grooms, agents, and lessors must abide by and comply with biosecurity measures and equine health requirements imposed by the Federation, Competition Management, and local, state and federal animal health officials. Competitors, owners, trainers and coaches are responsible for making sure their guests follow the biosecurity guidelines.
- **BIOSECURITY PROTOCOLS:**
 1. Bring water buckets for your horse.
 2. Avoid putting the water hose in your horse's water bucket when filling it.
 3. Do not share tack, equipment, hay bags or grooming tools.
 4. Don't allow horses to have nose-to-nose contact.

5. Limit public contact with your horse.
6. Limit contact between you and other horses.
7. Don't hand graze your horse where other horses may have grazed.
8. Wash your hands before and after contact with your horse or any other horse.
9. We strongly recommend you sanitize your horse stall prior to moving in.
10. Limit use of communal areas such as crossties and wash racks and do not use adjacent ties or racks when another horse is present.
11. Because humans can be an indirect means of disease transmission, avoid moving between barns unless necessary.

• **BIOSECURITY GUIDELINES:**

1. Current equine vaccination records must be included with your Entry. All non-stabled horses must also provide documentation of vaccinations. Horses not in compliance with this rule may be required to leave the competition grounds upon request by Competition Management. See USEF GR844.
2. Horses coming onto the show grounds must have temperature records. The temperature must be taken **twice a day** and recorded on a "Temperature Log" 3 days prior to arrival to the show grounds and throughout the show. A febrile horse/pony is one with a temperature above 101.5 degrees Fahrenheit or 101.0 degrees Fahrenheit on a NSAID. The document must be presented to the office at check-in and **posted at the location of your horse** for review by the Technical Delegate.
3. The "Temperature Log" is available for you in this prize list.
4. Horses showing signs of illness, including but not limited to fever, malaise, nasal discharge, acute neurological signs (i.e., wobbly gait, weakness, recumbency, etc.), vesicles on the nose, lips or tongue, within 72 hours of the show should not be brought to the show grounds. Horses that show any signs of illness during the show must be reported to the show office **immediately. (Please read the SVE Isolation Plan sent to you via email and posted at the show office)**
5. Show management must be notified if any vet is called to show grounds for any reason. Failure to notify show management may result in a fine and/or being required to leave competition grounds.
6. The show has an Isolation Protocol in place. Any horse found to present a potential for transmittable disease will be required to follow the Isolation Protocol. Failure to follow the Isolation Protocol may be fined and/or required to leave competition grounds.
7. If the Isolation Protocol is needed for a horse during the show, an Isolation fee of \$100.00/day will be charged to cover feed, shavings, PPE, disinfection and disposal of infectious materials.

How CDS, USDF, & USEF Memberships Work

CDS memberships run from December to December. If you join after October, you're considered a member for the following year. Part of your dues goes directly to the United States Dressage Federation (USDF) for your group membership.

Your group membership with the USDF entitles you to:

1. Rider Awards
2. Subscription to the USDF Connection (official USDF magazine)

You must join the USDF as a Participating Member and register your horse if you want to compete in the USDF Horse of the Year Awards, Breed awards or USDF/Great American Championship. Your Participating Membership with USDF is for the year November to November.

USEF (formerly AHSA) has no reciprocal membership agreement with CDS. In order to enter a USEF show, you must join the organization. Your USEF membership entitles you to:

1. A copy of the current rule book
2. Monthly issues of Horse Show Magazine

USEF memberships run from join date to join date. You must also record your horse with USEF.

All of these organizations memberships apply to both rider and the owner of the horse, if they are not the same person.

EQUINE ISOLATION PROTOCOL PLAN

Starr Vaughn Equestrian, Inc.
7541 Sloughhouse Road
Elk Grove, CA 95624

Do not bring your horse to Starr Vaughn if it shows any signs of illness. Signs of illness include but are not limited to fever over 101.5 degrees Fahrenheit (or over 101.0 degrees Fahrenheit if horse is on a NSAID medication), malaise, nasal discharge, sudden neurological signs (i.e., wobbly gait, weakness, recumbancy, etc.) or vesicles on the nose, lips or tongue.

The USEF recommends all competitors begin taking their horse's temperature 3 days before a competition and continue throughout the competition. Record the temperatures on the temperature log provided to you by Starr Vaughn Equestrian or found on the USEF website (https://www.usef.org/forms-pubs/OBrQV_x6kNA/temperature-log). Post the log at the location of your horse so that it can be seen easily by the Technical Delegate.

This Isolation Plan is to be followed in the case of a symptomatic or febrile horse when symptoms arise. This plan is designed to contain an outbreak of infectious disease on show grounds. This plan will allow Show Management and the Show Veterinarian to isolate and monitor any symptomatic horses, allowing other horses to continue competing at the show in a safe environment.

The Isolation Stabling is located near the round pen on Starr Vaughn property (Barn A/Isolation Barn) and is kept vacant for the purpose of quarantining horses that present with a fever or symptoms of disease.

Suspected Illness

If a horse presents with signs of illness and/or a consistently high fever (fever of 101.5 or higher), inform show management **immediately**. Show Management with direction from the Show Veterinarian will determine whether the horse should be quarantined.

If a horse is deemed potentially infectious:

- The owner of the horse may remove the horse immediately to a Veterinary hospital or to a private home. Otherwise, the horse will need to be moved immediately to the Quarantine Barn at SVE.
- Owners, riders and trainers in the area where the potentially ill horse was stabled shall be notified of potential exposure.
- Owners, riders and trainers in the area of potential exposure will be reminded to continue to take temperatures twice daily and watch for clinical signs of disease in their horses.
- The horses in the area of potential exposure can continue to show as long as they remain symptom free.

Quarantine Barn Protocols

- The horse will remain in the Quarantine Barn until a veterinarian determines that the horse is free of disease and/or negative laboratory results are received. Or until the horse is removed from SVE grounds.
- In the case of a quarantine imposed by State or other Government Officials, the decision to release horses will be at the discretion of those Officials.
- A horse in quarantine will not be allowed to compete in the show.
- No one is allowed in the quarantine barn unless accompanied by the Bio-Security Manager. Only owners or the person responsible for the horse will be allowed in the quarantine area. That person **must** follow the SVE required protocols to prevent cross contamination.
- Starr Vaughn Equestrian will charge \$100.00 per day for a horse housed in quarantine. This cost covers hay, shavings, Personal Protective Equipment, disposal of infectious waste and monitoring.

Bio-Security Protocols

- Do not share tack, equipment or buckets, hay bags, grooming tools.
- Have hand sanitizer and antibacterial foot baths available at each access point.
- Do not allow unnecessary visitors in the barn area. Visitors should be instructed not to touch horses.
- Do not allow horses to touch noses with each other.
- Do not submerge the end of the hose in water buckets.
- Monitor your horse frequently for signs of disease during the event.

RIDER'S RELEASE, WAIVER OF LIABILITY AND INDEMNITY AGREEMENT 2025

WHEREAS, I understand and acknowledge that activities involving horses ("Equine Activities"), including but not limited to the mounting, riding, walking, dismounting, grooming, training, handling, feeding, and otherwise being in the physical proximity of horses is a dangerous activity which produces a foreseeable risk of mortal or serious personal injury and/or property loss to the participant in such activity as well as to the person or property of others; and

WHEREAS, I understand and recognize and warrant that this Release, Waiver of Liability and Indemnity Agreement ("Release") is being voluntarily and intentionally signed and agreed to, and that in signing this Release I know and understand that this Release may further limit the liability of equine professionals to include any activity, whatsoever, involving horses, including death, personal injury and/or damage to property.

WHEREAS, I recognize and agree that the equine professional(s) at SVE has/have made reasonable and prudent efforts to determine my ability to engage in the "Equine Activity", and has/have sufficient knowledge of my equine and horseback riding skills as for me to relieve, release and hold harmless said equine professional(s) from any continuing duty to monitor my Equine Activities.

NOW THEREFORE, in consideration of being granted access and/or use of the facilities of Starr Vaughn Equestrian, Inc. a California corporation ("SVE") and for other good and valuable consideration, receipt of which is hereby acknowledged, I agree as follows:

1. **Assumption of the Risk.** I hereby assume full responsibility for, and risk of, any death or bodily injury to myself or others (including, but not limited to, those matters set forth in the above recitals) and damage to or destruction of my property or the property of others, caused by my engaging in any Equine Activity either on the premises of SVE or elsewhere while working with an SVE equine professional, unless such bodily injury or property damage is attributable in full or in part to the gross negligence of SVE. My responsibility includes, but is not limited to, payment of (i) medical costs for myself and others that I may have injured, (ii) costs to replace my own property or the property of others that I may have lost, destroyed, or damaged, and (iii) damages for other non-medical and non-property items such as pain and suffering and lost wages, etc.

2. **Release, Waiver of Liability, and Discharge of Claims.**

(a) I hereby release, waive, and discharge any and all claims that I may now or in the future have for damages against SVE, including its owners, occupants, tenants, subtenants, licensees, employees, officers, directors, or agents and the respective affiliated entities or persons of any one or more of them, arising directly or indirectly from my death, the death of any other person, bodily injury to me or others, or damage to my property or that of others, attributable to my engaging in Equine Activities, or my presence on SVE's premises.

(b) I acknowledge that SVE requires me to wear AHSA approved headgear with a chin strap while jumping and requires me to wear a safety helmet while riding. I understand and acknowledge that the risk of head injuries and death are significantly reduced by wearing appropriate headgear. I hereby release, waive, and discharge SVE, including its owners, occupants, tenants, subtenants, licensees, employees, officers, directors, or agents and the respective affiliated entities or persons of any one or more of them, against any and all claims that I may now or in the future have for damages resulting from my failure to wear headgear while riding either on SVE's premises or at an offsite facility.

(c) This release is intended to release, waive and discharge, in advance, SVE, together with its owners, occupants, tenants, subtenants, employees, officers, directors and their respective affiliates or persons of any one or more of them, from and against any liability arising out of or connected in any way with my or my guests or invitees engaging in any Equine Activities on the SVE premises or in any activity in which an SVE representative is required to attend on my behalf, and/or my or my guests or invitees presence on the SVE premises, even though such liability may be attributable, in full or in part, to the negligence, recklessness or misconduct of one or more of such persons or entities.

(d) **Medical Authority.** I, _____ (participant, or if minor, parents/guardians) hereby grant permission and authority to SVE, its officers and authorized employees to act for me in executing verbal instructions or if unable to contact us, to act for us in dealing with physicians, available ambulance companies and hospitals, to obtain prompt medical attention for the person named above in the event of any perceived medical emergency. I hereby covenant and agree to release SVE its owners, occupants, tenants, subtenants, employees, officers, directors, or agents and their respective affiliates or persons of any one or more of them, and hold harmless from liability connected with obtaining prompt medical attention for the person named above.

(e) In accordance with such release, waiver, and discharge, and in consideration of being allowed to utilize and/or visit the SVE facilities, I promise not to sue or demand any money or anything else of value from SVE, including any of its owners, occupants, tenants, subtenants, employees, officers, directors, or agents and their respective affiliates or persons of any one or more of them.

3. **Indemnification.** I agree to completely indemnify and hold harmless SVE, including any of its owners, occupants, tenants, subtenants, employees, officers, directors, or agents and their respective affiliates or persons of any one or more of them, from and against any and all claims, demands, causes of action, suits, actions, losses, liabilities, costs and/or expenses, including attorney's fees, which are occasioned by, or otherwise attributable to, matters for which I have assumed the risk and for which I am responsible in accordance with Section 1 hereof, and for any actions brought by my guests or invitees.

4. **Binding Nature of Agreement.** I agree that this Agreement shall be binding on my personal representatives, heirs and assigns.

USDF Statement on Animal Welfare

The United States Dressage Federation, Inc. (USDF), a federation of over 100 independent organizations throughout the United States with a membership of nearly 30,000 members, supports the concept of ethical treatment of animals.

Dressage is a classical method of training horses, based upon the horse's natural responses, as carried out in a gradual, planned program during which the horse's athletic abilities are improved in a systematic manner. As a result, the horse becomes capable, comfortable, and responsive in partnership with the rider without the use of force. Dressage competition at various levels of achievement is the ultimate test of the training program to determine whether the desired harmony between horse and rider has been achieved.

The rules pertaining to dressage competition prohibit the use of artificial appliances, training aids, and drugs, which would force the horse to submit. Instead, the emphasis is upon training and a cooperative partnership with the rider. Major competitions are carefully monitored to assure that there is no unnecessary force or harshness displayed.

Unlike other horse sports in which horses enter training at a relatively immature state, dressage training is usually not seriously begun until the horse is three or four. The top levels of achievement require five or more years of progressive training and it is not unusual to see horses in international competition in their late teens. This, in itself, places a premium on good care and soundness throughout the horse's life.

While supporting the concept of animal welfare in its broadest form, the United States Dressage Federation, Inc., also recognizes that it is unrealistic to ascribe human emotions and responses to the horse which in its wild state is a creature of flight, living a hard and precarious existence. Under domestication, the horse is assured of ample food, water, and shelter, as well as protection against infectious diseases and damaging parasites, thus leading a longer and healthier life with a high rate of survival.

As an educational organization, USDF has numerous programs, which teach people how to pursue the accepted, humane training methods. A program of certifying instructors also emphasizes protecting the horse's welfare in pursuit of dressage training.
