needles or other sharp disposable instruments. If local law has different requirements, local law will prevail. BIOSECURITY PROTOCOL: PLEASE READ CAREFULLY

- **Communicable Disease Action Plan:** The US Equestrian Federation requires competitions to follow a communicable disease protocol for humans and equines. This show will implement an "Isolation Plan" as directed by the USEF. The plan is designed to mitigate the spread of disease and must be followed by all people on the show grounds. The most recent requirements will be emailed to competitors and are posted on the show grounds. To mitigate the spread of communicable equine disease, such as but not limited to Equine Herpes Virus & Equine Influenza, all people on the show grounds must understand and follow basic biosecurity protocols. All riders, drivers, vaulters, handlers, owners, trainers, coaches, grooms, agents, and lessors must abide by and comply with biosecurity measures and equine health requirements imposed by the Federation, Competition Management, and local, state and federal animal health officials. Competitors, owners, trainers and coaches are responsible for making sure their guests follow the biosecurity guidelines.
- **BIOSECURITY PROTOCOLS:**
 1. Bring water buckets for your horse.
 2. Avoid putting the water hose in your horse's water bucket when filling it.
 3. Do not share tack, equipment, hay bags or grooming tools.
 4. Don't allow horses to have nose-to-nose contact.
 5. Limit public contact with your horse.
 6. Limit contact between you and other horses.
 7. Don't hand graze your horse where other horses may have grazed.
 8. Wash your hands before and after contact with your horse or any other horse.
 9. We strongly recommend you sanitize your horse's stall prior to moving in.
 10. Limit use of communal areas such as crossties and wash racks and do not use adjacent ties or racks when another horse is present.
 11. Because humans can be an indirect means of disease transmission, avoid moving between barns unless necessary.

- **BIOSECURITY GUIDELINES:**

1. Current equine vaccination records must be included with your Entry. All non-stabled horses must also provide documentation of vaccinations. Horses not in compliance with this rule may be required to leave the competition grounds upon request by Competition Management. See USEF GR844.
2. Horses coming onto the show grounds must have temperature records. The temperature must be taken **twice a day** and recorded on a "Temperature Log" 3 days prior to arrival to the show grounds and throughout the show. A febrile horse/pony is one with a temperature above 101.5 degrees Fahrenheit (or 101.0 degrees Fahrenheit on a NSAID). The document must be presented to the office at check-in and **posted at the location of your horse** for review by the Technical Delegate.
3. The "Temperature Log" is available for you in this prize list.
4. Horses showing signs of illness, including but not limited to fever, malaise, nasal discharge, acute neurological signs (i.e., wobbly gait, weakness, recumbency, etc.), vesicles on the nose, lips or tongue, within 72 hours of the show should not be brought to the show grounds. Horses that show any signs of illness during the show must be reported to the show office **immediately. (Please read the SVE Isolation Plan sent to you via email and posted at the show office)**
5. Show management must be notified if any vet is called to show grounds for any reason. Failure to notify show management may result in a fine and/or being required to leave competition grounds.
6. The show has an Isolation Protocol in place. Any horse found to present a potential for transmittable disease will be required to follow the Isolation Protocol. Failure to follow the Isolation Protocol may be fined and/or required to leave competition grounds.
7. If the Isolation Protocol is needed for a horse during the show, an Isolation fee of \$100.00/day will be charged to cover feed, shavings, PPE, disinfection and disposal of infectious materials.

USDF Membership Benefits: USDF is dedicated to education, the recognition of achievement, and promotion of dressage. For details on member benefits, including educational programs, awards, and other opportunities, refer to the *USDF Member Guide* or the USDF website at www.usdf.org.

**This
competition
is recognized
by USDF
for 2025**

Membership Requirements for USEF-licensed/USDF-recognized Competitions: Owners and riders, including foreign riders and owners who are not residents of the US, wishing to participate in a USEF-licensed/USDF-recognized competition as a rider or owner/lessee, must have either a USDF Group Membership (GM), Participating Membership (PM), or have a USDF Non-Member (NM) identification number and pay the USDF Non-Member (NM) fee. (Note: USDF Business Members can own horses but cannot compete as riders with their USDF Business Membership.)

Horses competing at USEF-licensed/USDF-recognized competitions must have either a USDF Horse Identification (HID) number or a USDF Lifetime Horse Registration (LHR). Proper credentials or verification certificates must be presented to the competition secretary.

Riders and owners wishing to participate in a USEF-licensed/USDF-recognized competition, and not able to present the competition secretary with verification of a USDF membership or NM identification, and USDF LHR or USDF HID, must complete a USDF Competition Affidavit Form and pay the \$5 affidavit filing fee. A copy of a completed affidavit form from another competition may also be used for verification purposes for up to 60 days. (Exception: Affidavits cannot be used at Great American Insurance Group/USDF Regional Dressage Championships.)

Exceptions:

- Horses competing only in Individual Breed Classes (IBCs) at DSHB competitions, sires and dams of horses in DSHB group classes, where those sires or dams are not actually competing in the same competition, horses competing only in breed restricted dressage or DSHB classes at Regular Competitions (e.g. all Arabian, all Friesian, or all Morgan classes), or in USDF Introductory Level tests, pas de deux or quadrille, are exempt from this requirement. Also exempt are horses ridden in leadline, exhibitions, games and races, classes for 4-H members, walk-trot, academy, and opportunity classes.
- Riders and owners/lessees competing only in classes which are exempt from the USDF HID requirements are also exempt from the USDF NM identification number and NM fee requirements. Also exempt are handlers of horses competing in DSHB In-Hand or Group classes.

Memberships Defined

Participating Membership (PM): A membership issued to an individual directly by USDF. The membership year is December 1 through November 30. PMs are available for 1-year (\$100), 5-years (\$400), or life (\$2,000). A USDF Youth Participating Membership (YPM) is available for individuals who have not reached their 21st birthday by December 1 of the current membership year (\$80). A PM allows the member to compete at USEF-licensed/USDF-recognized competitions and to participate as a rider and/or owner/lessee for all Adequan®/USDF Year-End Awards and the Great American Insurance Group/USDF Regional Dressage Championship program.

Group Membership (GM): A membership issued to an individual by USDF when the member name and dues are submitted to USDF through an affiliate Group Member Organization (GMO). The GM year begins December 1 and ends November 30. A GM allows the member to compete at USEF-licensed/USDF-recognized competitions and participate in the USDF Rider Awards Program.

Business Membership (BM): A membership that runs December 1 through November 30 and is issued to a business or organization directly by USDF. The USDF BM (\$280) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

Non-Member (NM) Identification Number: For each USDF NM owner/lessee and USDF NM rider there will be a USDF NM fee of \$55 per competition that must be collected by the show secretary and submitted to USDF, along with the USDF Report of Fees document and the \$5 affidavit fee and Competition Affidavit Form if the person cannot provide a copy of their USDF NM card. Owners/lessees or riders exempt from the NM number requirements are also exempt from paying the USDF NM fee. If there are multiple owners of a horse and all are NMs, only one of the owners must pay the NM fee. If the horse has at least one owner who is a current USDF PM, GM, or BM there is no NM fee assessed. Competition management will be invoiced for all applicable USDF NM fees not received with the USDF post-competition paperwork, along with a report listing all USDF NMs. Competition management is then required to submit the NM fees within 30 days to the USDF. An individual with a USDF NM identification number is not eligible for any USDF membership benefits. Once a USDF NM number has been assigned, a USDF NM card can be obtained from the USDF website.

Horse Identification (HID) Number: A one-time tracking number for horses (\$45). Scores earned by a horse with an HID number will be recorded but will NOT be counted towards Adequan®/USDF Year-End Awards. A horse with an HID number is not eligible to compete in Great American Insurance Group/USDF Regional qualifying or championship classes. An HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of \$95. If a horse has a USDF LHR it does not need an HID number. An HID number is a one-time fee that does not need to be renewed.

Lifetime Horse Registration (LHR): A horse with an LHR (\$140) is eligible for Adequan®/USDF Year-End Awards, and eligible to compete in Great American Insurance Group/USDF Regional qualifying and championship classes, assuming requirements for the owner and rider are met. If a horse has an LHR it does not need an HID number. An LHR does not need to be renewed.

USDF Statement on Animal Welfare

The United States Dressage Federation, Inc. (USDF), a federation of over 100 independent organizations throughout the United States with a membership of nearly 30,000 members, supports the concept of ethical treatment of animals.

Dressage is a classical method of training horses, based upon the horse's natural responses, as carried out in a gradual, planned program during which the horse's athletic abilities are improved in a systematic manner. As a result, the horse becomes capable, comfortable, and responsive in partnership with the rider without the use of force. Dressage competition at various levels of achievement is the ultimate test of the training program to determine whether the desired harmony between horse and rider has been achieved.

The rules pertaining to dressage competition prohibit the use of artificial appliances, training aids, and drugs, which would force the horse to submit. Instead, the emphasis is upon training and a cooperative partnership with the rider. Major competitions are carefully monitored to assure that there is no unnecessary force or harshness displayed.

Unlike other horse sports in which horses enter training at a relatively immature state, dressage training is usually not seriously begun until the horse is three or four. The top levels of achievement require five or more years of progressive training and it is not unusual to see horses in international competition in their late teens. This, in itself, places a premium on good care and soundness throughout the horse's life.

While supporting the concept of animal welfare in its broadest form, the United States Dressage Federation, Inc., also recognizes that it is unrealistic to ascribe human emotions and responses to the horse which in its wild state is a creature of flight, living a hard and precarious existence. Under domestication, the horse is assured of ample food, water, and shelter, as well as protection against infectious diseases and damaging parasites, thus leading a longer and healthier life with a high rate of survival.

As an educational organization, USDF has numerous programs, which teach people how to pursue the accepted, humane training methods. A program of certifying instructors also emphasizes protecting the horse's welfare in pursuit of dressage training.

EQUINE ISOLATION PROTOCOL PLAN

Starr Vaughn Equestrian, Inc.
7541 Sloughhouse Road
Elk Grove, CA 95624

Do not bring your horse to Starr Vaughn if it shows any signs of illness. Signs of illness include but are not limited to fever over 101.5 degrees Fahrenheit (or over 101.0 degrees Fahrenheit if horse is on a NSAID medication), malaise, nasal discharge, sudden neurological signs (i.e., wobbly gait, weakness, recumbancy, etc.) or vesicles on the nose, lips or tongue.

The USEF recommends all competitors begin taking their horse's temperature 3 days before a competition and continue throughout the competition. Record the temperatures on the temperature log provided to you by Starr Vaughn Equestrian or found on the USEF website (https://www.usef.org/forms-pubs/OBrQV_x6kNA/temperature-log). Post the log at the location of your horse so that it can be seen easily by the Technical Delegate.

This Isolation Plan is to be followed in the case of a symptomatic or fevered horse when symptoms arise. This plan is designed to contain an outbreak of infectious disease on show grounds. This plan will allow Show Management and the Show Veterinarian to isolate and monitor any symptomatic horses, allowing other horses to continue competing at the show in a safe environment.

The **Isolation Stabling** is located near the round pen on Starr Vaughn property (Barn A/Isolation Barn) and is kept vacant for the purpose of quarantining horses that present with a fever or symptoms of disease.

Suspected Illness

If a horse presents with signs of illness and/or a consistently high fever (fever of 101.5 or higher), inform show management **immediately**. Show Management with direction from the Show Veterinarian will determine whether the horse should be quarantined.

If a horse is deemed potentially infectious:

- The owner of the horse may remove the horse immediately to a Veterinary hospital or to a private home. Otherwise, the horse will need to be moved immediately to the Quarantine Barn at SVE.
- Owners, riders and trainers in the area where the potentially ill horse was stabled shall be notified of potential exposure.
- Owners, riders and trainers in the area of potential exposure will be reminded to continue to take temperatures twice daily and watch for clinical signs of disease in their horses.
- The horses in the area of potential exposure can continue to show as long as they remain symptom free.

Quarantine Barn Protocols

- The horse will remain in the Quarantine Barn until a veterinarian determines that the horse is free of disease and/or negative laboratory results are received. Or until the horse is removed from SVE grounds.
- In the case of a quarantine imposed by State or other Government Officials, the decision to release horses will be at the discretion of those Officials.
- A horse in quarantine will not be allowed to compete in the show.
- No one is allowed in the quarantine barn unless accompanied by the Bio-Security Manager. Only owners or the person responsible for the horse will be allowed in the quarantine area. That person **must** follow the SVE required protocols to prevent cross contamination.
- Starr Vaughn Equestrian will charge \$100.00 per day for a horse housed in quarantine. This cost covers hay, shavings, Personal Protective Equipment, disposal of infectious waste and monitoring.

Bio-Security Protocols

- Do not share tack, equipment or buckets, hay bags, grooming tools.
- Have hand sanitizer and antibacterial foot baths available at each access point.
- Do not allow unnecessary visitors in the barn area. Visitors should be instructed not to touch horses.
- Do not allow horses to touch noses with each other.
- Do not submerge the end of the hose in water buckets.
- Monitor your horse frequently for signs of disease during the event.

GR844 Equine Vaccination Rule

1. At Federation licensed competitions, horses entering the grounds must be accompanied by documentation of Equine Influenza Virus and Equine Herpes Virus (Rhino-pneumonitis) vaccinations within six months prior to entering the stables. Horses not in compliance with this rule may be required to leave the competition grounds upon request by Competition Management. Documentation should consist of one of the following methods mentioned below. The frequency of vaccine administration should be per the vaccine manufacturers' or veterinarian's recommendations. It is recommended that vaccines are administered by or under the direction of a veterinarian.
2. In the case of vaccines administered by a veterinarian, the exhibitor, upon request by Competition Management, must provide documentation from the veterinarian on documenting that the horse in question received the vaccinations; name of the vaccines and date of vaccine administration.
3. In the case of vaccines administered by a person other than a veterinarian, the exhibitor, upon request by Competition Management, must provide a receipt of the vaccine purchase which is signed by the owner, or agent with care, custody, and control of the horse; name, serial number and expiration date of the vaccine; and date of vaccine administration.
4. In the case of a horse that is unable to receive either of the vaccinations due to a history of adverse reactions, the exhibitor, upon request by Competition Management, must provide a letter from the veterinarian on official letterhead stating that the horse in question cannot be vaccinated due to medical concerns and a log of temperatures taken twice daily for the seven days prior to entering the competition grounds. These horses must also have their temperature taken and logged twice daily while on the competition grounds. The log of temperatures should be provided to the Competition Management, steward, or technical delegate when requested.
5. Competition Management may not amend or enhance vaccination requirements without prior approval of the Veterinary Committee

How CDS, USDF, & USEF Memberships Work

CDS memberships run from December to December. If you join after October, you're considered a member for the following year. Part of your dues goes directly to the United States Dressage Federation (USDF) for your group membership.

Your group membership with the USDF entitles you to:

1. Rider Awards
2. Subscription to the USDF Connection (official USDF magazine)

You must join the USDF as a Participating Member and register your horse if you want to compete in the USDF Horse of the Year Awards, Breed awards or USDF/Great American Championship. Your Participating Membership with USDF is for the year November to November.

USEF (formerly AHSA) has no reciprocal membership agreement with CDS. In order to enter a USEF show, you must join the organization. Your USEF membership entitles you to:

1. A copy of the current rule book
2. Monthly issues of Horse Show Magazine

USEF memberships run from join date to join date. You must also record your horse with USEF.

All of these organizations memberships apply to both rider and the owner of the horse, if they are not the same person.

WAIVER AND RELEASE OF LIABILITY, ASSUMPTION OF RISK AND INDEMNITY AGREEMENT

For and in consideration of United States Equestrian Federation, Inc. dba US Equestrian ("USEF") allowing me, the undersigned, to participate in any capacity (including as a rider, driver, handler, vaulter, longeur, lessee, owner, agent, coach, official, trainer or volunteer) in a USEF sanctioned, licensed or approved event or activity, including but not limited to equestrian clinics, practices, shows, competitions and related or incidental activities and SVE Spring Dressage II ("USEF Event" or "USEF Events"); I, for myself, and on behalf of my spouse, children, heirs and next of kin, and any legal and personal representatives, executors, administrators, successors, and assigns, hereby agree to and make the following contractual representations pursuant to this Agreement (the "Agreement"):

A. RULES AND REGULATIONS: I hereby agree that I have read, understand, and agree to be bound by all applicable Federation Bylaws, rules, and policies including the USEF Safe Sport Policy and Minor Athlete Abuse Prevention Policies (MAAPP) as published at www.usef.org, as amended from time to time.

B. ACKNOWLEDGMENT OF RISK: I knowingly, willingly, and voluntarily acknowledge the inherent risks associated with the sport of equestrian and know that horseback riding and related equestrian activities are inherently dangerous, and that participation in any USEF Event involves risks and dangers including, without limitation, the potential for serious bodily injury (including broken bones, head or neck injuries), sickness and disease (including communicable diseases), trauma, pain & suffering, permanent disability, paralysis and death; loss of or damage to personal property (including my mount & equipment) arising out of the unpredictable behavior of horses; exposure to extreme conditions and circumstances; accidents involving other participants, event staff, volunteers or spectators; contact or collision with other participants and horses, natural or manmade objects; adverse weather conditions; facilities issues and premises conditions; failure of protective equipment (including helmets); inadequate safety measures; participants of varying skill levels; situations beyond the immediate control of the USEF Event organizers and competition management; and other undefined, not readily foreseeable and presently unknown risks and dangers ("Risks").

EQUINE ACTIVITY LIABILITY ACT WARNING:

CAUTION: HORSEBACK RIDING AND EQUINE ACTIVITIES CAN BE DANGEROUS. RIDE AT YOUR OWN RISK.

Under the laws of most States, an equine activity sponsor or equine professional is not liable for any injury to, or the death of, a participant in equine activities resulting from the inherent risks of equine activities.

C. ASSUMPTION OF RISK: I understand that the aforementioned Risks may be caused in whole or in part or result directly or indirectly from the negligence of my own actions or inactions, the actions or inactions of others participating in the USEF Events, or the negligent acts or omissions of the Released Parties defined below, and I hereby voluntarily and knowingly assume all such Risks and responsibility for any damages, liabilities, losses, or expenses that I incur as a result of my participation in any USEF Events. I also agree to be responsible for any injury or damage caused by me, my horse, my employees or contractors under my direction and control at any USEF Event.

D. WAIVER AND RELEASE OF LIABILITY, HOLD HARMLESS AND INDEMNITY: In conjunction with my participation in any USEF Event, I hereby release, waive and covenant not to sue, and further agree to indemnify, defend and hold harmless the following parties: USEF, USEF Recognized Affiliate Associations, the United States Olympic & Paralympic Committee (USOPC), USEF clubs, members, Event participants (including athletes/riders, coaches, trainers, judges/officials, and other personnel), the Event owner, licensee, and competition managers; the promoters, sponsors, or advertisers of any USEF Event; any charity or other beneficiary which may benefit from the USEF Event; the owners, managers, or lessors of any facilities or premises where a USEF Event may be held; and all directors, officers, employees, agents, contractors, and volunteers of any of the aforementioned parties (**Individually and Collectively, the "Released Parties" or "Event Organizers"**), with respect to any liability, claim(s), demand(s), cause(s) of action, damage(s), loss, or expense (including court costs and reasonable attorney fees) of any kind or nature ("**Liability**") which may arise out of, result from, or relate in any way to my participation in the USEF Events, including claims for Liability caused in whole or in part by the negligent acts or omissions of the Released Parties.

E. COMPLETE AGREEMENT AND SEVERABILITY CLAUSE: This Agreement represents the complete understanding between the parties regarding these issues and no oral representations, statements or inducements have been made apart from this Agreement. If any provision of this Agreement is held to be unlawful, void, or for any reason unenforceable, then that provision shall be deemed severable from this Agreement and shall not affect the validity and enforceability of any remaining provisions.

I HAVE CAREFULLY READ THIS DOCUMENT IN ITS ENTIRETY, UNDERSTAND ALL OF ITS TERMS AND CONDITIONS, AND KNOW IT CONTAINS AN ASSUMPTION OF RISK, RELEASE AND WAIVER FROM LIABILITY, AS WELL AS A HOLD HARMLESS AND INDEMNIFICATION OBLIGATIONS.

By signing below, I (as the participant or as the Parent/Legal Guardian of the minor identified below) hereby accept and agree to the terms and conditions of this Agreement in connection with my (or the minor's) participation in any USEF Event. If, despite this Agreement, I, or anyone on my behalf or the minor's behalf, makes a claim for Liability against any of the Released Parties, I will indemnify, defend and hold harmless each of the Released Parties from any such Liabilities as the result of such claim.

The parties agree that this agreement may be electronically signed. The parties agree that the electronic signatures appearing on this agreement are the same as handwritten signatures for the purposes of validity, enforceability, and admissibility.

RIDER'S RELEASE, WAIVER OF LIABILITY AND INDEMNITY AGREEMENT 2025

WHEREAS, I understand and acknowledge that activities involving horses ("Equine Activities"), including but not limited to the mounting, riding, walking, dismounting, grooming, training, handling, feeding, and otherwise being in the physical proximity of horses is a dangerous activity which produces a foreseeable risk of mortal or serious personal injury and/or property loss to the participant in such activity as well as to the person or property of others; and

WHEREAS, I understand and recognize and warrant that this Release, Waiver of Liability and Indemnity Agreement ("Release") is being voluntarily and intentionally signed and agreed to, and that in signing this Release I know and understand that this Release may further limit the liability of equine professionals to include any activity, whatsoever, involving horses, including death, personal injury and/or damage to property.

WHEREAS, I recognize and agree that the equine professional(s) at SVE has/have made reasonable and prudent efforts to determine my ability to engage in the "Equine Activity", and has/have sufficient knowledge of my equine and horseback riding skills as for me to relieve, release and hold harmless said equine professional(s) from any continuing duty to monitor my Equine Activities.

NOW THEREFORE, in consideration of being granted access and/or use of the facilities of Starr Vaughn Equestrian, Inc. a California corporation ("SVE") and for other good and valuable consideration, receipt of which is hereby acknowledged, I agree as follows:

1. **Assumption of the Risk.** I hereby assume full responsibility for, and risk of, any death or bodily injury to myself or others (including, but not limited to, those matters set forth in the above recitals) and damage to or destruction of my property or the property of others, caused by my engaging in any Equine Activity either on the premises of SVE or elsewhere while working with an SVE equine professional, unless such bodily injury or property damage is attributable in full or in part to the gross negligence of SVE. My responsibility includes, but is not limited to, payment of (i) medical costs for myself and others that I may have injured, (ii) costs to replace my own property or the property of others that I may have lost, destroyed, or damaged, and (iii) damages for other non-medical and non-property items such as pain and suffering and lost wages, etc.

2. **Release, Waiver of Liability, and Discharge of Claims.**

(a) I hereby release, waive, and discharge any and all claims that I may now or in the future have for damages against SVE, including its owners, occupants, tenants, subtenants, licensees, employees, officers, directors, or agents and the respective affiliated entities or persons of any one or more of them, arising directly or indirectly from my death, the death of any other person, bodily injury to me or others, or damage to my property or that of others, attributable to my engaging in Equine Activities, or my presence on SVE's premises.

(b) I acknowledge that SVE requires me to wear AHSA approved headgear with a chin strap while jumping and requires me to wear a safety helmet while riding. I understand and acknowledge that the risk of head injuries and death are significantly reduced by wearing appropriate headgear. I hereby release, waive, and discharge SVE, including its owners, occupants, tenants, subtenants, licensees, employees, officers, directors, or agents and the respective affiliated entities or persons of any one or more of them, against any and all claims that I may now or in the future have for damages resulting from my failure to wear headgear while riding either on SVE's premises or at an offsite facility.

(c) This release is intended to release, waive and discharge, in advance, SVE, together with its owners, occupants, tenants, subtenants, employees, officers, directors and their respective affiliates or persons of any one or more of them, from and against any liability arising out of or connected in any way with my or my guests or invitees engaging in any Equine Activities on the SVE premises or in any activity in which an SVE representative is required to attend on my behalf, and/or my or my guests or invitees presence on the SVE premises, even though such liability may be attributable, in full or in part, to the negligence, recklessness or misconduct of one or more of such persons or entities.

(d) **Medical Authority.** I, _____ (participant, or if minor, parents/guardians) hereby grant permission and authority to SVE, its officers and authorized employees to act for me in executing verbal instructions or if unable to contact us, to act for us in dealing with physicians, available ambulance companies and hospitals, to obtain prompt medical attention for the person named above in the event of any perceived medical emergency. I hereby covenant and agree to release SVE its owners, occupants, tenants, subtenants, employees, officers, directors, or agents and their respective affiliates or persons of any one or more of them, and hold harmless from liability connected with obtaining prompt medical attention for the person named above.

(e) In accordance with such release, waiver, and discharge, and in consideration of being allowed to utilize and/or visit the SVE facilities, I promise not to sue or demand any money or anything else of value from SVE, including any of its owners, occupants, tenants, subtenants, employees, officers, directors, or agents and their respective affiliates or persons of any one or more of them.

3. **Indemnification.** I agree to completely indemnify and hold harmless SVE, including any of its owners, occupants, tenants, subtenants, employees, officers, directors, or agents and their respective affiliates or persons of any one or more of them, from and against any and all claims, demands, causes of action, suits, actions, losses, liabilities, costs and/or expenses, including attorney's fees, which are occasioned by, or otherwise attributable to, matters for which I have assumed the risk and for which I am responsible in accordance with Section 1 hereof, and for any actions brought by my guests or invitees.

4. **Binding Nature of Agreement.** I agree that this Agreement shall be binding on my personal representatives, heirs and assigns.

5. **Governing Law.** This Agreement shall be governed by, and construed in accordance with, the internal substantive laws of the State of California, without regard to the choice of law rules thereof. I hereby submit to the in personam jurisdiction of the State of California. Venue for purposes of any litigation or arbitration concerning this Agreement shall be in Sacramento County, California.

6. **Severability.** In the event that any provision of this Agreement shall be void or unenforceable for any reason, then such provision shall be stricken and of no force and effect. The remaining provisions of this Agreement, however, shall continue in full force and effect, and to the extent required, shall be modified to preserve their validity.
