

About the Book

Rosie the dragon's bedtime routine has been a little bumpy lately. But not to worry! Charlie is prepared with his lists, rules, and fire extinguisher—everything a boy needs to help guide his pet dragon (and best friend) to a peaceful night's sleep. Tucking this dragon into bed is *not* an easy task. And what happens when thunder strikes?

Snuggle up with this adorable duo as they conquer bedtime the best way: together!

"This humorous story is a sweet representation of caretaking and patience, with a parallel that can extend to older and younger siblings as well as to parent-child relationships, perhaps making young readers a bit more self-reflective and empathetic."
