Event 10: Snooker, Maximum 735 Points

Score as big a break as possible.

First 3 darts are to hit a red, if red is hit then your break is immediately underway, If not, the break ends.

Hit a red, then any colour, then red, then any colour, etc etc. until the end or a miss is made.

Any colour may be hit after a red. When the final red is hit, any colour may be hit, then the colours **must** be hit in the order of, Yellow, Green, Brown, Blue, Pink and finally the Black. When a red is hit during a break it will be marked so it may not be hit again. If this happens then the break is finished.

5 points awarded for each point scored in snooker.
