Wall Magazine

A wall magazine is a periodical run on a notice board, especially in an educational institute where the students and other members of the institution can post their articles, poems, drawings and other such compositions to share with each other. It is a common practice in parts of India

In every academic year our trainees are published the wall magazine.

This year the trainees of (1st and 3rd) semester organized the wall magazine exhibition, aptly titled 'আলোক সন্ধান' 'Search for light' on 20th March, 2024, depicting the basics of Assamese language and literature.

The wall magazine was inaugurated by the Principal, Tapan Saikia in the presence of faculty and trainees and spoke about the academic value of this activity and lauded the efforts of the trainees.
