BASIC TRAINING CENTRE, RAVANAPARA
MAJULI

ABOUT US

Basic Training Centre, MAJULI came into existence in the Year 1962. It is approved by NCTE (National Council for Teacher Education) and affiliated by SCERT, Assam. The campus of Basic Training Centre is located in Ravanapara, District: Majuli

It has maintained its excellence in imparting knowledge and imbuing values among the trainees and preparing them to be resourceful future teachers. The first batch of in-service teachers training started on 1st of August 1962. But later from 2017, pre-service teacher training courses were implemented and still running till date. The centre's prime concern is all round development of trainees to help them become competent for future.

NATIONAL EDUCATION POLICY (NEP) 2020

What is National Education Policy 2020?

The National Education Policy of India 2020 (NEP 2020), approved by the Union Cabinet of India on 29 July 2020, outlines the vision of the new education system of India. It replaces the previous National Policy on Education, 1986.

The vision of the policy is to build an education system rooted in Indian ethos that contributes directly to transforming India by providing high-quality education to all, thereby making India a global knowledge superpower.

NEP 2020 Highlights for School Education

1. Focus on Early Childhood Care and Education (ECCE) & Foundational Literacy and Numeracy (FLN)
2. Curtailing dropouts and ensuring universal access at all levels of school education
3. Learning Should be Holistic, Integrated, Enjoyable, and Engaging
4. Teacher Empowerment
5. Equitable and Inclusive Education: Learning for All
6. Standard-setting and Accreditation for School Education
7. Adoption of pedagogically sound teaching & learning practices
8. Adoption of technology in teaching, learning and assessments

NEP 2020 for Teachers

The New Education Policy 2020 (NEP 2020) focuses significantly on the professional development of teachers. Recognising their crucial role, NEP 2020 proposes:

- 50 hours of annual training for teachers.
- Exposure to the latest pedagogical techniques.
- Enhanced understanding of digital tools.

This initiative aims to ensure teachers are equipped with the skills necessary to meet evolving educational demands.
