

SAFETY UNLEASHED

INDUSTRY PROFESSIONAL PODCAST

MEET THE HOST

ANDREW COLLINS

HOST

HSE leader with firsthand experience across industrial, petrochemical, construction, and high-risk operations. Andrew specializes in cultivating strong company culture, regulatory compliance, hazard recognition, and stewarding field leadership. A tenured background in industrial hygiene, logistics, and workforce development allowed for strong connections with HSE and operations management accountability.

PODCAST SNAPSHOT

Weekly conversations built around real workers, real stories, and practical safety insight. Safety Unleashed gives the workforce a voice while helping teams lead, communicate, and work safer. Episodes turn complex workplace challenges into useful lessons on company culture, leadership accountability, and situational awareness that listeners can easily apply.

COMMUNICATE. WORK SAFER. REPEAT.

BUILT FOR THE EVOLVING WORKFORCE

Our audience is built for the men and women who take pride in a safer, smarter, more confident workday. Safety Unleashed is where the workforce finds its voice through honest stories, practical leadership lessons, and relevant conversations about the pressures people face across industrial, construction, and other high-risk workplaces. The show gives listeners useful takeaways they can carry back to their crews, projects, and organizations.

WHO WE SERVE

Workers, frontline leaders, supervisors, safety professionals, and operational teams who want clearer communication, stronger culture, and practical ideas for safer work.

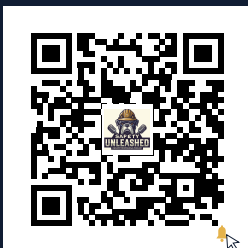

SHOW THEMES

Building a Proactive Workforce

Coaching vs. Managing

Communication & Trust

Enhancing Positive Thinking
