8:30 Visit with Candidates time

*Have you attended a HALO Candidate Forum before? We try to have most of the questions come from the audience, but we do have a required format. Please write your question on a note card, and indicate if it is for a specific candidate or all of the candidates in the race. Hand that card to our question taker, who will bring it to the front table. Your question will then be put into rotation. Duplicate questions will be merged.*
