- Friday, June 17—Joe Thigpen Birthday Celebration in conjunction with the Mafia
- Friday, June 17—Sport Fest (Afternoon small group)
- Saturday, June 18—Sport Fest, 80 golfers at 8:30AM
- Saturday, July 16—Mary Kay Ash Foundation at 8:00 AM

## UPDATE FROM JEFF TYRE SUPERINTENDENT

The days are getting hotter and longer and that means it's GROW TIME! Nothing stimulates grass growth more than some good verticutting and aerifying

Davey Golf has completed one aerification of all fairways and tees and we will be working on these areas more throughout the summer. We have already begun solid tining, spiking and verticutting the greens. This, as well as regular topdressing, will be a continual process during the summer months..

Weather permitting, we will begin pulling cores on the

greens on May 31st (front 9) and June 2nd (back 9).

We will be pushing growth with our fertilization program and other processes to get the greens surface back to the smoothness that all golfers appreciate.

We would like to remind everyone to keep repairing your ball marks and obey cart rules, especially on our par 3's.

Davey Golf and Turkey Creek both appreciate the patience of members and visitors throughout this time. Finally, we want all our golfers to have a great experience and invite your friends!

## 14 NEW GOLF CAR

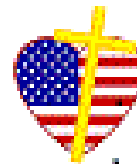

Fourteen new carts don't seem like many, but it is almost one-half of the original carts we had. That makes a great of difference to the Pro Shop and no more crossed out tee times

## HOW CAN WE HELP?

As we have prayed for all those who served their country; we now pray for the innocent souls who have been subject to mass killings. I pray

for a resolution to the problems and for the protection of our children. If you know someone who seems to be in emotional need, please put them in touch with someone who might help them.

## SIGN UP FOR JULY 4TH FLAG DAY TOURNAMENT

### SANTA FE FOOTBALL BOOSTERS TOURNAMENT

New Santa Fe High School Football Coach, Joey Szymanski, restarted the tradition of raising funds for his program. Many familiar faces and businesses supported the event. Former Santa Fe Athletic Director Mike Jacobs won the longest drive on hole No. 2

Coach

Mike Jacobs
