2025 Spring Summer Edition

The spring yard sale will be March 15th & 16th.

This is an advertised event so make sure to get your items ready!

The spring and fall yard sales will be held on the third weekend of March and November each year.

UPDATE:

For our residents who aren't on social media, we wanted to share an update regarding the shed flooding during Hurricane Milton. Unfortunately, our holiday decorations were lost due to water damage. However, thanks to the generous donations from our wonderful residents, we were able to replace most of them. We hope you loved the front entrance as much as we did!

Friendly Reminder: Park Lake Estates has **NO** street parking. Please park in your own driveway.
