All Service Verification Forms must be attached to a **Service Summary Document**. This packet is due by **April 1** each year. All students are **required to make a copy of their entire packet** before submitting it, since the packet will not be returned once it has been turned in to your Campus DSG contact person. In the event that a discrepancy exists between the number of hours the DSG student says that they have performed and the records kept by Spring ISD, the student's copy of their Service Verification Packet must be provided. No adjustments to the official records will be made unless the student can provide a duplicate copy of their entire Service Verification Packet.

DSG Graduate = <u>120 total hours</u> including a minimum of <u>40 hours for Spring ISD</u>.
