

## **JD Music Studio Tuition & Fees**

### **PRIVATE LESSONS**

- 30 minute lessons \$140/month\* (most common)
  - 45 minute lessons \$200/month\* (normally students highly focused on music)
  - 60 minute lessons \$260/month\* (normally students who do both piano & voice)
- See below (\*) for additions

### **GROUP LESSONS**

- 45 minute lessons \$85/month\* (per student)

### **GENERAL LESSON AND PAYMENT DETAILS**

- Lessons are weekly and given at Janine's in-home studio, unless other arrangements are made.
- Some months have 4 lessons and some have 5 (depending upon the month and the weekly lesson day). These are the same price, but the fifth week may be considered a make-up week, if needed.
- Students who meet Janine at schools may not get 4 lessons in some months due to non-school days. Because of this consideration, the travel fee is waived for these students. (see below)
- An invoice will be emailed out each month. You may pay online from the invoice (preferred,) send payment via Venmo, or send a check. Cash not accepted.

### **GROUP LESSON DETAILS**

- Groups are made up of 3-5 students
- Lessons are 45 minutes long per week, total
- Students are encouraged to form a group and then contact me

### **TRAVEL FEE**

- If you would like your lesson to be at a different location than my in-home studio, a travel fee of between \$10-\$20 will be added to the price of monthly tuition. The fee will depend upon the distance traveled each week.

### **SHEET MUSIC**

- Students are expected to buy and/or print out their own sheet music. ○ Whenever possible, sheet music loaned out.
  - Sometimes sheet music will be bought by Janine and the student will reimburse.
  - Other times, I will give the student information to buy it on their own.
- Students are required bring their sheet music to every lesson. Two (2) copies of the music are helpful so that we each have a copy in front of us.

### **RECITAL FEE**

- In lieu of ticket sales, a Spring Recital Fee will be added of \$10-\$20 per student in the month of June. The exact amount will be set once the location has been secured for the Spring Recital.

***\*a late fee of \$10/month is assessed if full payment is not received on or before the 15th of each month.***
