History

I started my talent career while obtaining a degree in jazz voice (music) from the University of North Texas (Dallas / Ft. Worth). I've worked as a freelance vocalist with musicians such as Michael League ([Snarky Puppy](#)), Daniel Foose (Lady Gaga), Joe Abba (Jessica Simpson), and countless others. While living in New York I released a [record of original music](#) including musicians Ross Pederson (The Manhattan Transfer, Kener Werner), Craig Akin (Little Embers, Barnaby Bright), and Jay Jennings (Toby Keith), among other top studio musicians. I have loved the transition to working in commercials, short films, and voice over. I grew up singing, dancing, and imitating voices from Disney movies since I could make noise. My mother tells the story of finding me rocking in my crib in time to the music on the tape player at under 1 year old.
