History

I started my talent career as a vocalist, working with musicians such as Michael League ([Snarky Puppy](#)), Daniel Foote (Lady Gaga), Joe Abba (Jessica Simpson), and countless others. I released a [record of original music](#) including musicians Ross Pederson (The Manhattan Transfer, Kener Werner), Craig Akin (Little Embers, Barnaby Bright), and Jay Jennings (Toby Keith).

I love working in commercial and narrative voice and on-camera acting for the opportunity to bring stories to life for all kinds of media, collaborating with brands, directors, producers, and fellow lovers of the art and craft of storytelling.

I grew up singing, dancing, putting on self-coreographed Christmas shows, and imitating voices from Disney movies since I could make noise. My mother tells the story of finding me rocking in my crib in time to the music on the tape player at just 9 months old.
