History

I started my talent career as a vocalist working with musicians such as Daniel Foote (Lady Gaga), Joe Abba (Jessica Simpson), Michael League ([Snarky Puppy](#)), and countless others. I released a [record of original music](#) including musicians Ross Pederson (The Manhattan Transfer, Kener Werner), Craig Akin (Little Embers, Barnaby Bright), and Jay Jennings (Toby Keith).

I love the precision of commercial acting, and long-form narrative works for the opportunity to bring stories of personal growth and exploration to life.

I grew up singing, dancing, putting on self-coreographed Christmas shows, and imitating voices from Disney movies since I could make noise. My mother tells the story of finding me rocking in my crib in time to the music on the tape player at 9 months old.
