

Virtual Emergency Operation Center

Keeping You Ahead Of The Storm By Leveraging Our Technology And Expertise

SERVICES:

- Situational Briefing Video/Audio Conference Calls.
- Email & Text Updates
- Business Disaster and Emergency Planning
- Family Disaster Plan
- Damage Assessment Training or Inspection Services.

Your business or household can have it's own Emergency Operation Center working to provide you specialized information so you can make the right decisions for your business, employees & family.

TV Weather & News Services tend to provide you with information with a focus on hype to increase their TV rankings. We analyze the same data from the National Hurricane Center with our specialized professional software and provide our clients with customized information without any of the hype.

Our Staff Include Former Fortune 500 Corporation Business Continuity Experts

You can benefit from our 35+ years of experience & expertise in emergency management/business continuity, Our staff includes a former Macy's EOC Director. We offer pandemic planning and development of emergency procedures for your home & business.

Our Services Are Very Affordable.
