**What is a Town,

Village or
Community Council**

WHAT IS A TOWN, PARISH, VILLAGE OR COMMUNITY COUNCIL?

It exists to serve the people of the Parish by:

- Providing services appropriate to their needs and expectations where it is legally empowered
- Representing people without discrimination and involving them in decisions where necessary
- Working in partnership with voluntary agencies, the private sector, other local authorities and public bodies
- Contributing to the economic prosperity of the area
- Keeping the parish a place where people want to live, work and enjoy themselves

POWERS & DUTIES

The Parish, Town, Village or Community Council acts within the framework of legislation conferred on it by Parliament. The functions of the Council are mainly discretionary, that is they amount to powers as opposed to duties.

Parish Councils derive their powers from a number of sources but in general terms the important source is the Local Government Act of 1972 and subsequent amendments and enhancements.

Parish, Town, Village & Community Councils can delegate power to the clerk or a committee but never to individual councillors or chairmen.
