## Full Custom Size Charts

### How to use the size charts:

1. Find a shirt that fits you comfortably and lay it out **completely flat on the floor.**
2. Measure straight across the chest from side seam to side seam directly under the armpit - **this is the “A” measurement. If this falls in between sizes, ALWAYS go with the larger size.**
3. Measure the front of the shirt from the bottom hem to the very top of the collar seam - **this is the “B” measurement. If this falls in between sizes, ALWAYS go with the larger size.**

Our hoodies are made to fit over the same size jersey.

### MEN'S JERSEY SIZE CHART

	A Measurement (Chest)	B Measurement (Length)
XS	20" to 21"	26" to 27"
