TIPS

We recommend to go 1 size up if you're at the top of the range. Remember you can always alter your sleeves and body lengths to better your fit. Letter Jackets are built to be bulky and consideration of what you usually wear under it should be made.

Also consider general rule we usually find helpful that may apply to you:

- Women jacket sizes are 1 size smaller than T-shirt sizes
- Men's jacket sizes are equal to that of the T-shirt size
