

# Golden Gate Swiss Club

## Donate to our Club Booth!

The Golden Gate Swiss Club is excited to host a booth at the 2026 1st of August Celebration!

We'd love your support—please consider donating gently used Swiss-themed decor.

Your contributions will help us create a vibrant, welcoming booth while giving these items a meaningful second life.

Donations will be collected at the Spring Hike on May 16, 2026.

All proceeds directly support future club events, so every item truly makes a difference.

Danke for your generosity and support!
