## Tony's Thoughts

### True Wisdom

Plato once said, "The wisest of you men is he who has realized, like Socrates, that in respect of wisdom he is really worthless." Plato, one of the worlds greatest philosophers is on the right track; wisdom from man is worthless. There are people in this world who think they "know it all." I am sure we might know one or two of those people in our lives. The great king Solomon, who is known to be the wisest man who ever lived, asked God in 2 Chronicles 1:10, "now give me wisdom and knowledge, that I may go out and come in before this people, for who can judge the great people of Yours?" Solomon was not asking for riches or power, but yet wisdom and understanding from God. As Solomon was young and inexperienced to rule a great nation, he wanted those things to lead his people. Solomon understood that great wisdom and knowledge doesn't come from us, but yet from our God. Proverbs 3:5-6 says "trust in the Lord with all your heart, and lean not on your own understanding. In all your ways acknowledge Him, and He shall direct your path." Solomon is reminding us that the Lord is the one who we need to put our trust in, not man. Man can lead people away from Gods truth, to follow what they seem is right. We see Peter talking about false prophets in 2 Peter 2. Solomon tells us to put our trust and acknowledgement in God. For God is the one who will guide us. He will lead us by His Word that brings us comfort, encouragement, and understanding that we need.
