

# ToGo – Curbside Information Board

Communicate Order Status for ToGo – Curbside – GrubHub – DoorDash on Screen Mounted in your Window or Inside

Our ToGo / Curbside Order board allows businesses and restaurants to display any order status on bright digital Screens. These screens can be mounted in a window to allow customers or delivery drivers to see their order Status without having to enter or request assistance.

The board is easily updated real time by any employee Connected to our secure portal from a tablet, laptop or Phone provided by us or by you.

The board can also be customized to show advertisements Or other content when not in use or can scroll through Order status and ads at the same time.

Provide your own screen or use current TV to reduce cost.

Requires our 5280 Media Player - \$350 and Subscription to our hosting and support \$25 a Month.

Requires internet access – Optional Physical install of screen or other content creation additional charge

Additional columns can be added for additional content if needed. [Michael.rooms@5280bcs.com](mailto:Michael.rooms@5280bcs.com) – 720-273-1251
