From The Commander

As the Legion year comes to a close on June 30th, I would like to thank everyone for all your help & support throughout the year. It has been a successful year as we highlight a few events: We have visited the Veterans Home in Reserve, donated supplies and funds to a nearby school, donated flags to multiple schools, celebrated Flag Day with the scouts retiring old flags, We have been busy attending District Conferences, the Dept Convention as well as assisting with the National Convention which was held in New Orleans. Our Installation was well attended by many Post members, District and Dept Officers. Our meeting honoring Police, Fire and First responders was one of the most attended. Finally, the Archbishop Rummel Concert Band entertained us at the Christmas Party. If you did not attend any of the events, you are missing out. As we look forward to next year we will continue with these events and hopefully add more. Important Dates: June 13th 1PM, Flag Retirement Ceremony, Executive Committee Meeting June 24th 6PM, Installation of next year's Officers & board will be July 8th at 7PM with dinner to follow. Last but not most important Dues are due JULY 1st, so bring your money to the installation. Thanks Again!
