

Port Summer Show Car Wash at Weber

Port Summer Show will be holding the first of many fund raising car washes on Wednesday, July 9, from 10 a.m. until 2 p.m. at the Weber Junior High School parking circle.

Expert car-washers have been assembled from the cast of this summer's production,

Bye Bye Birdie and they will be looking forward to turning your dingy car into a thing of beauty.

Soda will also be on hand for sale for those who arrive thirsty. All proceeds go towards the cost of production for this year's show.
