cess of *The Music Man*. We especially want to thank Robert L. Harding Real Estate, Port Washington Youth Council, Marine Midland Bank & Trust Co., Schreiber H.S.A., Parents Council and the Schreiber Student Government for their annual support of our productions.

We would like to thank Ben & Jerry's for donating ice cream for our concessions and the Lutheran Church of Our Saviour for rehearsal space.

On behalf of the entire Advisory Board, we would like to thank all the parents, friends, and Summer Show alumni who helped make this production a success. Their efforts backstage and in the orchestra, with painting, construction, costumes, props, supervision, etc. were evident to all who saw and enjoyed the show. We would also like to thank Dr. Heebink for his encouragement and support.

Congratulations to Pam Meadows and David Barnett, our very talented Directors, on a successful show. Thank you for your dedication and hard work.

Last, but not least, we want to thank the 70 teenagers who took part in the show, either in the cast, crew or orchestra. Without your hard work, *The Music Man* would not have been the success it was. It was a pleasure to work with you. We hope you had fun this summer and we look forward to seeing you again next year.
