

# Warming Up For A Hot Show

**IN THE COOL** of the summer evenings things are heating up at the rehearsals for this season's Port Summer Show production of *The Music Man*. Pam Meadows, the director, David Barnett, the music director, and the junior and senior high students are in the middle of putting together what promises to be a spectacular show. Sets are being created, costumes put together, dances and songs are being polished so the audience will be guaranteed a terrific experience. This year marks the 20th anniversary for teen theater in Port Washington which should add to the excitement of the production. Shows will be in the Schreiber High School Auditorium at 8 p.m. on August 9, 10, 11 and 12. If you wish to advertise in the program, or would like to purchase sponsor or donor tickets, please call 767-1994. Pictured are Port Summer Show's students going over their lines and their songs at one of the evening rehearsals.
