To all of the graduating seniors, thank you for sharing your talents with us, we've really enjoyed watching you perform!

Wishing you all the best next year!

Molly

We are all so proud of you and sad to see you go.

Your talent is undeniable.

We know that at times things didn't go your way here, and that you shouldered your share of burdens.

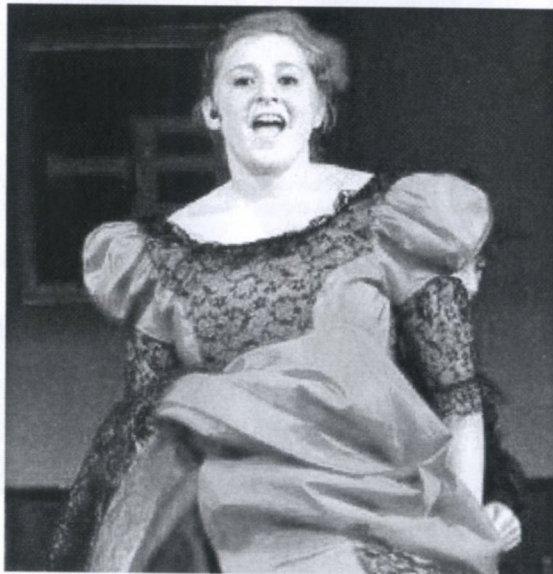

But, don't let anybody tell you what is in your heart. Don't let anybody cast you as anything but exceptional. Being the best doesn't always mean you get the best, it means you do what is needed because you can.

Your creativity and talent can not be denied by anyone but you!

We hope that your Emerson experience will be memorable and fun!

Love,

Your Family, who will always love you
