The Board had a general discussion regarding the MGA's traditional 3 day Member Guest held the last weekend of July. We were informed that the Club did not have either venue (Club or Inn) available for the tournament. Mr. Blaisdell commented that while he was still member of the NSMGA that the Club did indeed have a backup venue to offer, but not the Poppy Tent. The MGA had to make separate arrangements for their Saturday night couples event. It was suggested that the Board invite Chet Messer, Chairman of the MGA, to attend the June BOM meeting.
