

Health Action Plan

Updated
04/01/2024

At International School for Peace, we understand that families are entrusting us with not only the education and socialization of their children, but also with their health, safety, and well-being. Our administration, teachers, staff, and families are doing our part to ensure the safety of everyone who enters our campus. Below is a list of what we are doing in the best interest of the community as a whole. ISP will continue make updates to our policies as deemed appropriate or mandated.

What Administration is Doing:	What Staff is Doing:	What Families are Doing:
<ul style="list-style-type: none"> • Employ Jani King, a professional cleaning service, that cleans our campus each evening M-F. When directed they may utilize a hospital grade method of disinfecting. In the event that a hospital grade method of disinfectant needs to be used, families will be notified. The same team will clean our classrooms each evening. • Follow current CDC/PCHD guidelines and recommendations in regard to travel , contagious illness, outbreaks. • Establish separate entry and exit points to the school and encourage directional traffic at high traffic times.. • Set up hand sanitizer stations around the ISP campus for use by students, families, and staff. • Ensure only staff and essential persons have access to classrooms at this time. • Ensure sufficient supplies of disinfectant, tissues, masks, hand sanitizer, and gloves are available at all times. • Establish a plan should a staff member or student display symptoms of illness during school hours. Plans may include release from school, isolation, a Dr.'s note to return, and/or mask wearing. • Ensure regular changing of air filters in all ISP buildings. • Post notifications for the community when a communicable disease has been confirmed and reported. • Share community resources to access assistance and education about vaccines. 	<ul style="list-style-type: none"> • Support children who wear masks. • Disclose to the Director should a staff member have close contact, display symptoms, or test positive for COVID. • Invite families to participate in outdoor activities. • Promote, demonstrate, and reinforce healthy hygiene habits. • Model and reinforce effective handwashing with soap and water for each child upon entry to the classroom, before/after eating, after using the bathroom, and at other times throughout the school day. • Post lesson plans and class happenings in the windows for family viewing. • Clean and disinfect classroom toys frequently. • Present curriculum utilizing outdoor space as much as possible, weather permitting. • Unless essential, discourage nap bedding from home. • Vaccinate. 	<ul style="list-style-type: none"> • Disclose to ISP director should your child contract a communicable disease such as COVID19. A plan will be set into place for your child's return to school which may include recommendations of PCHD/CDC. • Limit your time on the campus during pick up and drop off. • Adhere to established entry and exit points. • Ensure that your child has two spare sets of clothing at school. • Provide the most current copy of your child's emergency information and immunization / exemption forms. If COVID vaccinated, provide updated record. • Monitor your child for the safe use of hand sanitizer. • Commit to staying abreast of school communication. • Keep sick children home and contact preschool office of absence. • Ensure having a backup childcare plan should your child need to stay at home due to illness. • Understand what personal items support a child's sense of security, ability to transition, or self-regulate and are considered essential. Speak with your teacher about having items at school. • Vaccinate.
