What does your membership do?

**Your membership helps maintain costs to participate in community events, Chamber of Commerce Fees, Licensing and all other non-event expenses. It will benefit you by allowing us to give you a discount on your booth space and to include you in the business expo with the Chamber and other events CCOT participates in. We will make every effort to promote your business when and where we can.*

**Membership provides early-bird and priority registration for all members. We can only accept one Direct Sale (DS) Membership per entity. Vendors will have priority; however, in the event that another DS vendor asks to participate, the member will have 2 weeks to secure their booth. At the end of that 2 weeks, the member forfeits their priority. Note: There will be a limit of 15 DS vendors per event*

**I agree to comply with the rules and regulations as set forth on each Vendor Registration Form. All membership dues are non-refundable. Initial here: _____*

I hereby apply for membership with the Community Crafters of Tehama.
