2	ROYAL SATSUMA HAND PAINTED CHINESE BOWL TABLE Royal Satsuma hand painted Chinese Fish Bowl Table 24in X 28in has all the features that you would expect to find in a Satsuma piece Fine Network of crackles and an over abundance of Gold Trim! Satsuma, is a collective name given to a fine quality lightweight pottery developed in Japan. Original ware is generally characterized by a fine network of crackles in the glaze and extensive use of gold trim. While often counterfeited the markings on the bottom, lead to ease of identification, this piece appears to have been remade in the early 2000s, but looks much older than that very beautiful piece! Item has a reserve and will not sell unless reserve is met.	12
