Fly Fishers of Northwest Florida (FFNWF) was established in 1984 to teach people of all ages the arts of fly fishing, fly tying, fishing etiquette, and conservation of our fishing waters. FFNWF is affiliated with Fly Fishers International (FFI), an international organization with like goals which our members are encouraged, but not required, to join. We look forward to fishing and tying with you and hope you enjoy our hospitality. We meet three times a month in the City of Pensacola's "Boy Scout House" located at Miraflores Park (1600 E. Belmont St. Pensacola 32501 - off 17th Avenue, one block north of the famed "Graffiti Bridge").
