

NEUMEISTER & ASSOCIATES EXPANDS TO CHICAGO, ILLINOIS

We are pleased to announce that as of August 1, 2019, we have expanded our geographic presence to Chicago, Illinois. While maintaining the two current locations in Burbank and Downtown Los Angeles, Neumeister & Associates will now offer services to clients in Chicago and the surrounding metropolitan area.

Our newest office address:

515 N. State Street
14th Floor
Chicago, IL 60654

“The decision to expand our presence into Chicago was a logical step in the growth strategy for our business,” Jeff Neumeister, CEO, explains. “We see a tremendous opportunity to bring a unique perspective and offer forensic expertise and tax and accounting advisory services in this region.”

Since opening the flagship office in Burbank in 2017, Neumeister & Associates has rapidly seeded deep community roots in the San Fernando Valley of Los Angeles with private and publicly held businesses. With staff and owners bringing over three decades of experience in forensic accounting and tax consulting expertise, the firm has continuously grown in size and service offerings, while creating a positive impact on the local community through educational events and thought-leadership publications for the general public.

Clients come to Neumeister & Associates from all walks of life - from startups to middle market companies, privately-held organizations, holding entities, and high-net-worth individuals. Our philosophy is that there is no client too small or too large to help and we have worked with clients spanning across a diverse array of industries including construction, entertainment, health care, investments, information technology, professional services, retail, oil and gas, real estate, education, food and beverage, transportation, pharmaceutical, and manufacturing.
