**Warning:** The fact that one must refer to the code of federal regulations that claim to apply to a "taxpayer" does not constitute an admission that the requester is a "taxpayer"; I specifically deny that I am a taxpayer, U.S. citizen, employee, or any of the for revenue purposes as defined in 26USC.

This request does not fall under exception 26 USC § 6103(e)(7). These documents are not sought for any commercial purposes. Understanding that most exemptions are discretionary, rather than mandatory, if for some reason you determined any portion of this request to be exempt from release, please furnish the following:

- (a) those portions reasonably segregable after the exempt material is deleted;
- (b) detailed justification for your discretionary exemption since the overriding objective of the FOIA is to maximize public access to agency records. See IRM [1.3]13.7.1 (08-31-2000) Approach to Exemptions, and;
- (c) provide the name of the official and correct address to whom an administrative appeal should be addressed.

I am requesting copies of records in lieu of personal inspection of the requested records.

I am attesting under the penalty of perjury under the laws of the United States of America 28 U.S.C. 1746(1) and from without the "United States", that I am a category 5 CFR 294.103(d) requester.

033020151557

Pursuant to 5 U.S.C. § 552(a)(6)(A)(I), you have **no more than 20 days** from the day you receive this **now public document** to respond to this request. If you don't timely respond, the following facts shall conclusively be established by your willful omission in responding. Pursuant to Fed.Rul.Civ.Pro. 8(b)(6), failure to deny constitutes an omission: and you, and your principals have always failed to respond.

If you are not the correct person to whom this FOIA request (and or other parts of this letter) should be directed, please forward it without delay to the correct person(s), and notify me of the same; to whom, when and on what subject(s).

Please See:

IRM 3.13.5.2.1.1 (01-01-2003) MAINTAINING THE IMF ENTITY:

"It is our responsibility to correct and research a taxpayer's account when problems exist on the IMF." (Emphasis Added).

"Taxpayer Correspondence" is included in the Entity tax examiner's work.

IRM 4.4.1.4 (02-08-1999) AIMS QUALITY CONTROL RESPONSIBILITIES:

"Every Examination employee is responsible for ensuring the accuracy of the AIMS data base."

IRM 4.4.1.4.2 (02-08-1999) FIELD TERRITORY MANAGERS:

"Field Territory Managers are responsible for the accuracy and completeness of the AIMS data base and ensuring that appropriate actions are timely."

IRM 4.4.1.4.3 (02-08-1999) AREA DIRECTORS:

"Area Directors are responsible for the coordination of AIMS quality control procedures within each area, and to ensure the accuracy and completeness of the AIMS data base."

**System of records.** In order to locate the requested records, please examine the following system of records:

- a) Treasury/IRS 24.030, Individual Master File (IMF), MCC TRANSCRIPT- SPECIFIC.
- b) Treasury/IRS 24.046, Business Master File (BMF).
- c) Treasury/IRS 24.070, Debtor Master File (DMF).
- d) Official internal revenue service Non Master File (NMF).
- e) Each and every other system of records available to the disclosure Officer.

Please include the requester's name only as Elias Agredo-Narvaez, without any appellatives or titles as including but not limited to: Taxpayer, Mr, since they tend to preclude my true nature as a Natural Person, and by not complying with this request you are only showing bad faith.

This FOIA in it's entirety is, and **shall be construed** as just another good faith effort from me, to better understand, and aiding in properly obeying/ complying with the laws and regulations that I may be subject to.

I am also requesting this information in order to aid in the administrative process currently undergoing under the requester's name or any derivatives thereof. ( **therefore response time is of essence.**) Be advised that your response to this request will be self evidenced as in the previous petition made last year under the same name and for it which your answers were not complete, did not pertain to me, and or evasive. In that request your answers to certain questions of vital importance were met with responses as: **we have no obligation to respond to this type of questions.**

*("There is a clear distinction between an individual and a corporation, in that the latter has no right to refuse to submit its books and papers for an examination at the suit of the State....The individual may stand upon his constitutional rights as a Citizen. He is entitled to carry on his private business in his own way. His power to contract is unlimited. He owes no duty to the State or to his neighbors to divulge his business or to open his doors to investigation, so far as it may tend to incriminate him.... He owes no duty to the State since he receives nothing therefrom beyond the protection of his life and property.... His rights are such as existed by the Law of the Land, long antecedent to the organization of the State, and can only be taken from him by due process of the law and in accordance with the Constitution. He owes nothing to the public so long as he does not trespass upon their rights." Supreme Court, Hale vs. Henkle 201 U.S. 43 at 74)*

[Since 1905 the case of Hale Vs. Henkle has been cited by the Supreme Court over 144 times, and by the lower Federal and State courts over 1,600 times. It has never been reversed].

Therefore; It is imperative important that you fulfill your obligations and respond in an honest manner since copies of this request, as well as your answers will be part of documents presented in a court of law [not the Tax court] to support my Civil or criminal lawsuit currently being put together in order to establish once and for all who is in reality committing or furthering fraud. Or for other defenses.

According to rule/§ 861 of the IRS Code: only these 4 groups of people need to pay Federal Income Tax:

- those who **live** or **work** in **Wash. DC**, **PR**, **Guam**, or federal **territories**,
- those **working** for **US federal government**,
- those who make **income from foreign** (overseas) transactions,
- **foreigners** living in the **united States** who derive income in **USA**.

IRS forms W-2, 1042-s, 1098, 1099, 8300 are called "information returns". 26 U.S.C §6041(a) requires "withholding agents" to file information return against all parties receiving payments in excess of \$ 600 connected to a "**trade or business as defined in 26U.S.C. §7701(a)(26)**"

Form W-2 is forwarded to the SSA by a filing party. For each set of forms W-2's one form W-3 is filed that contains the jurat and name of the filing party signing under penalty of perjury. So every Form W-2 has at least one FormW-3 associated to it. Because one is signed under penalty of perjury and linked to the other these documents are essentially accusatory in nature and my right to ( peacefully) witness both accusatory instruments (including the name and signature of the under penalty of perjury signing party) should exist in an free and open society; otherwise the accusation must not exist of validity.

An information return filed against a party who is not lawfully engaged in a public office within the U.S. Government is false and fraudulent and a criminal violation of 26 U.S.C §§ 7206 and 7207, 18 U.S.C §912 and §654.

If you have no information responsive to my requests, then, you are attempting fraud through your silence in dealing with the issues raised herein:

You are omitting to respond because you intent to protect and expand unlawful activity which you have a direct financial interest in, in criminal violation of 18U.S.C. §3, §4, §208.

By condoning the filling of false information returns and omitting to prevent them from being filed, you admit you are aiding and abetting criminal conversion of private property to a public use and public purpose and a public office without compensation, and without the consent of the owner in violation of the Fifth Amendment takings clause and in criminal violation of 18U.S.C. § 654. This unlawful conversion is being effected by quasi-governmental agents who have been duped by the IRS propaganda into unlawfully acting as withholding agents as defined in 26 U.S.C. §7701(a)(16), trustees, and public officers within the U.S. Government without compensation.

By engaging in knowingly criminal activity in failing to respond to this correspondence or remedy the wrongs documented herein, **You surrender any official immunity and become personally liable for a tort:** *"when lawsuits are brought against federal officials, they must be brought against them in their "individual" capacity not their official capacity, when federal officials perpetrate constitutional torts, they do so ultra vires (beyond the power) and lose the shield of immunity."*

*[Williams v. U.S. Department of Agriculture, 815 F.2d. 369, ACLU Foundation v. Barr, 952 F.2d. 457, 293 U.S. App. DC 101, (CA DC 1991)]*

TITLE 5 PART I CHAPTER 5 SUBCHAPTER II Sec. 552a. Records maintained on individuals (g)(1) Civil Remedies. - Whenever any agency

(A) makes a determination under subsection (d)(3) of this section not to amend an individual's record in accordance with his request, or fails to make such review in conformity with that subsection; (B) refuses to comply with an individual request under subsection (d)(1) of this section; (C) fails to maintain any record concerning any individual with such accuracy, relevance, timeliness, and completeness as is necessary to assure fairness in any determination relating to the qualifications, character, rights, or opportunities of, or benefits to the individual that may be made on the basis of such record, and consequently a determination is made which is adverse to the individual; or (D) fails to comply with any other provision of this section, or any rule promulgated thereunder, in such a way as to have an adverse effect on an individual, the individual may bring a civil action against the agency, **and the district courts of the United States shall have jurisdiction in the matters under the provisions of this subsection.**

033020151557

**You have now received reasonable constructive notice** that your omission in remedying the fraud documented herein is unlawful. Beyond this point, your continued omission is willful and actionable and you may become an accessory after the fact and accomplice to the crimes documented herein.

I am not now, nor have I ever been engaged in a "trade or business" or a public Office franchise within any government.

I have never have domicile or residence within the "United States" as legally defined in 26 U.S.C. §7701(a)(9) and (a)(10) and as required by 26 U.S.C. §911(d)(3).

All information returns filed against the name Elias Agredo-Narvaez or any derivatives thereof are false and fraudulent, and I have notified your offices several times already of this crime. This is a criminal violation of 26U.S.C. §§ 7206 and 7207, 18 U.S.C. §911, §654. You have a duty and obligation to report and to prosecute the submitters of these false information returns as they too have been notified of their crimes and demand has been made to them to stop the fraud.

- 18) At present, what are the approved IRS forms for use with 26 CFR § 1.1-1.

And finally; Please respond to the following interrogatives, but without any evasiveness, remember that all this is required in order so that I can conduct myself according to the law. And that most likely- this questions will be part of a grand Jury process or defenses.

I am aware of the research, activities, information, discoveries, revelations and materials provided by many such as but not limited to Tommy Cryer – his IRS victory in 2007 in Louisiana – his Truth Attack organization, Joe Bannister – his reports, Sherry Peal Jackson, Irwin Schiff, Larken Rose, Lindsey Springer, Bill Benson – the Law that Never Was, Bob Schultz – We the People, Devvy Kidd, Peymon Mattahedah – Freedom School, Phil Hart, Larry Beacraft, William Conklin, Larken Rose – Theft by Deception, Paul Andrew Mitchell, B.A., M.S. - Supreme Law – 31 Questions, the Grace Commission Report under President Reagan, Vernice Kuglind, and many others.

I build my understanding by much legal research, not by assumptions. I look at many court cases which show clear victories and conclusions of people who have raised these same and similar questions to the IRS.

- 1) Has the IRS evolved from **Bureau of Alcohol, Tobacco and Firearms** ?
- 2) In **U. S. A. v. Lloyd Long, in 1993, U.S. V. LLOYD R. LONG #CR-1-93-91**  
Two IRS agents who had received training as professional witnesses. Upon cross-examination by **Attorney Becraft**, one witness, Ms. Jeu, stated that **a secret code known only to the IRS, and encoded on Mr. Long's permanent record, showed that the IRS knew that he was not required to mail or file a return.**  
Please address or otherwise explain what is that secret code and how to recognize it in the IMF that you are about to send Me.
- 3) Does the IRS keep a secret file on each and every American Citizen that has ever filed a tax return, and in that file are a whole host of "facts" that the IRS does not want Me/us to know?
- 4) Due the fact that I can not afford to buy an Lier/attorney to help the US Department of Injustice to put me in jail; I am currently personally doing a deep investigation to the Title 26 USC, so far, over

033020151557

220 pages of disturbing information has been accumulated to reflect something like so: Person, for example is a term which includes individuals, corporations, partnerships.....and so forth; People go to jail because they claim no to be persons or individuals, but not without first assessing them with **FRIVOLOUS charges and fine them with \$5000,00** per claim under Title 26 USC, so the Judge with an pecuniary interest in the prosecuting from a federal court and without any jurisdiction, put them in jail for long periods of time, Right?. Now, The Congress is supposed to be packed with the best of the best outsmart people, so my question here is this: If **person** means individuals and **individuals** means persons, and if the law 26 USC applies to everyone, and if persons are all taxpayers regardless of their color or race, or sex preferences **THEN, WHAT IN HELL THE REFFERENCES TO Natural Persons in 26 U.S.C. § 163-Interest**; in the section (B) Special rule for certain **foreign entities** is supposed to mean? And why are Natural Persons in the section of **Foreign entities**?

**If all individuals are persons and vice versa, then why not mentioning other individuals or taxpayer or persons in this section? But conclusively; NATURAL PERSONS?**

**I need you to tell me where in 26USC is the definition of natural persons.**

I am pretty sure you can answer this one without hesitation, so please don't delay the answer.

**FINALLY:**

I neither have now nor ever have had any activity in any of those areas; alcohol, tobacco or firearms (hence termed ATF), nor have I ever lived or worked in a the jurisdiction of the "United States" as defined in the IRS code as the District of Columbia and it's territories like Puerto Rico, Guam, Virginia Islands, hence referred to as a **federal zone**, territory, or area.

Please review my **Individual Master File** to **determine** if they may have listed me for any of the above ATF **activities** and or living or working in any of the **federal zones**.

Tell me specifically if you have listed me in any connection to any **federal zone** as a place of work, or resident, or domicile or anything else, including any business enterprise in any of the any of the years you may have records of me from 1994 to present. and change to having no connection

Tell me specifically if you have listed me in any ATF or related activity, and change to having no connection.

If you have **any** listings in any file on me as per the last three paragraphs, **correct them to remove such listings** and tell me that you have made those corrections and so prove with an **updated IMF**.

State specifically any **IMF records** that you **change** and note the changes you are making.

You may not request more time than the specified 20 days to respond to any of the above; this, because it is important to my Personal Liberty and Security, and because in my last request you took 90 days to sent me an incomplete response. I am still awaiting for a fax or otherwise mail with the remaining answers to such request which by the Disclosure Specialist Maritza Travanti I was promised that I will get. NOT SO.
