Re: Federal & State Tax Withholdings

Dear Elias,

After consulting with our tax and labor attorney we will continue to withhold on all wages all federal, state and local taxes as per the IRS laws and rules. Of course, if you cannot abide by that then you are free to resign your employment.

Sincerely,

Moshe Mendlowitz
Owner

This shows how convenient is to have a rubber stamp with someone else's signature, here The Secretary forgot that she was using her Letterhead and rubber stamped the signature Of our boss to give the impression that he Was in fact sending me this nasty-gram.
