This request does not fall under exception 26 USC § 6103(e)(7). These documents are not sought for any commercial purposes. Understanding that most exemptions are discretionary, rather than mandatory, if for some reason you determined any portion of this request to be exempt from release, please furnish the following:

- (a) those portions reasonably segregable after the exempt material is deleted;
- (b) detailed justification for your discretionary exemption since the overriding objective of the FOIA is to maximize public access to agency records. See IRM [1.3]13.7.1 (08-31-2000) Approach to Exemptions, and;
- (c) provide the name of the official and correct address to whom an administrative appeal should be addressed.

I am requesting copies of records in lieu of personal inspection of the requested records.

I am attesting under the penalty of perjury under the laws of the united states of America 28 U.S.C. 1746(1) and from without the "United States", that I am a category 5 CFR 294.103(d) requester.

If you are not the correct person to whom this FOIA request (and or other parts of this letter) should be directed, please forward it without delay to the correct person(s), and notify me of the same; to whom, when and on what subject(s).

Also, this is my firm promise to you that I will pay you any amount up to \$20 FRNs after proper billing for researching and printing such documents should that become necessary.
