For the Locals...

THANK YOU so much for your support during all of our BEDA-sponsored events!

We hope you enjoy the Firefly Festival & greatly appreciate your patience as many are coming to our community for this special time together!

With Fir, Madison, & Garden Streets being blocked for the event, please use Jefferson Street (northbound) if coming in from Garden Street or use the Highway as many will park in Residential areas. The Highway will be open entirely during the event.

Please be sure to find & follow **Hello, Bennet** on Facebook for all BEDA Events!

Help us Fundraise through your Donations & Purchases at the Event - our goal is to raise enough to purchase Banners & Hardware to go down the main highway through town!

Mark your Calendars!

Bennet Market - every other Wednesday at the Park 4-7pm

Celebrate Bennet & America's 250th! - July 3rd & 4th

Fallidays - Sunday, September 13th
