

TextMyGov

Winter is here so remember please do not park on the streets during snow removal. Be sure to have walks cleared first thing in the morning, and watch for ice on the walks/driveways. Other things to remember:

Please clear all snow around the fire hydrants so the fire department can have easy access.

Please clear snow from the water meter also just in case the maintenance staff need to locate it.

We want everyone to stay safe during snowy/cold weather.

To ensure proper credit please note your Account Number in the memo area on your check. Thank You!
