## **Bennet Survey Says**

**The City of Bennet wants to hear from YOU! We are hoping to start putting out monthly 1-3 question surveys on the water bill each month to get citizen input on the issues our community is facing. This will help us be more in-tune with the desires of the residents we are serving, as well as allow us to keep our residents apprised of what is happening behind-the-scenes in our small town and the challenges our little city is facing. Please take 1-5 minutes to scan the QR code below and fill out the survey. We need engagement to make this a worth-**
