

## Daily Water Restrictions

1. Lawn and landscaping watering by users of the Bennet Municipal Water and Sewer system shall be restricted as follows during the period beginning April 1st and ending October 31st each year.
  - a. Users having odd numbered street addresses shall be allowed to water their lawns and/or landscaping on Tuesday, Thursday and Saturday of each week.
  - b. Users having even numbered street addresses shall be allowed to water their lawns and/or landscaping on Wednesday, Friday and Sunday of each week.
  - c. No watering or irrigation shall be allowed on Monday of each week.

\*\* To eliminate sprinklers from turning on while it is raining consider purchasing a rain sensor for your system\*\*
  
2. Penalties: Violations of these regulations shall result in the following penalties.
  - a. First offense shall result in a written warning.
  - b. Second offense shall result in a \$250.00 fee added to the user's monthly bill.
  - c. Third offense shall result in a \$500.00 fee added to the user's monthly bill—and notification that further violation will result in disconnection of water service.
  - d. Fourth offense shall result in disconnection of water service.
