## Bennet/Palmyra Area (and surrounding communities) Early Childhood Survey

In partnership with Communities for Kids, a Nebraska Children and Families Foundation initiative, the Bennet/Palmyra Communities for Kids (C4K) team is hoping to obtain data with the mission to better understand our community's current child care quality and capacity landscape. Bennet/Palmyra C4K would like the community's assistance to identify needs surrounding the community's early child care and education programs. **EVERY person in the Bennet/Palmyra area and surrounding communities are encouraged to fill out this survey even if you do not have young children, or if your children are grown.** Once the survey results are analyzed, the data will be shared with our community to build partnerships in finding and addressing solutions to the needs identified in the survey responses.

Please use the link to the right > in your web browser to access the survey or scan the QR code with your phone or electronic device.
