Alexis Calfee

Alexis "Lexi" Calfee embodied the spirit of the All-American girl. She was a homecoming queen, volleyball captain, Student Council president, National Honor Society member, and a standout track athlete. With dreams of becoming an elementary education teacher, Lexi was as driven as she was compassionate. Beautiful inside and out, she never let her achievements define her. Instead, she remained humble, putting others before herself and lifting up those around her. She loved life.

On September 9, 2011, Lexi and her boyfriend, Chris Oberg lost their lives to a six time convicted drunk driver and many lives were forever changed. In honor of her or someone you have lost, Give the Gift of LIFE, please donate.
