Flemingsburg, Kentucky 41041
Kenneth Walters, Executive Director
Phone: (606) 845-0081
FAX: (606) 845-0418

Operation of Community Centers

Satellite centers are in each county of the Buffalo Trace Area, which provides meeting sites for congregate meals, library services, emergency food shelters, information and assistance services, outreach, scheduling for transportation services, adult abuse, preventive health activities, classes or any other community needs.

Transportation

- Senior Citizen/Aging
Provides transportation to local doctors and medical facilities for the elderly, low income, and disabled persons of this area. This service is also provided to the local businesses for other needed services (grocery stores, drug stores, Laundromat, etc.) Local transportation services are provided for all elderly persons with unmet needs. The staff at the multi-purpose centers schedules all services. For transportation, call local Senior Citizen Center.
- Medical-Human Services Transportation
Provides medical transportation to local and out of area medical appointments. Appointments must be scheduled 72 hours prior to the appointment date. Call 1-800-803-1310 for those with a medical card, and 1-800- 803-1310 for private pay. A small fee applies for those without a medical card.

Nutrition

Congregate meals are provided to elderly residents at centrally located centers in the Buffalo Trace Area. Home delivered meals are provided to home-bound, isolated, and handicapped elderly. Nutrition, education and screening helps to improve the daily nutrition lifestyle of older adults.

Preventive Health Programs

For older adults, to help provide a longer and healthier life with physical and serial lifestyle changes. A community awareness of dangerous home environments and substance abuse.

In-Home Services

In-Home Services is a program available, by referral, to families with children who are at-risk. IHS provides a specialist to the family, in their home, to address issues of concern to the family, DCBS or other community partner. Families are provided with concrete services and educated in the areas of parenting, discipline, safety, home maintenance, budgeting, development and any other area or life skill identified by the family or referrals source. Referrals are accepted from DCBS (P&P or Family Support), Women's Crisis Center, Family Resource Centers or any other community partner.

Outreach

In-Home Service provided by a trained staff person to determine their needs and provide assistance in accessing needed services.

Emergency Assistance

Provided to those in a crisis. Bum out victims, homeless, or crisis situations. Emergency assistance may be provided in the form of food, medical assistance, housing assistance, utility bills, or clothing. Each county has an Emergency Food Pantry for clients to receive food.

Energy Assistance

Provides energy assistance to low-income families in the form of assisting with utility bills. We also offer counseling for energy conservation and negotiation with clients and utility companies.

Weatherization

Provides home weatherization assistance to eligible low, income elderly and handicapped individuals residing in substandard housing. Such work includes insulation, education to clients in safety and energy efficiency, professionally evaluates single family dwellings, multi-family dwellings, and mobile homes for safety and energy efficiency, repairs furnaces as needed, makes minor repairs to homes for health and safety reason (windows, doors, ceilings, roofs, ventilation, etc.) and installs smoke or carbon monoxide detectors.

Information/Referral and Telephone Reassurance

Each county's multi-purpose center serves as the information and assistance center to provide or access quality services to all residents of this area; and links all service providers without duplication.

Application Assistor

With one application, Application Assistor will check your eligibility for programs that can help you pay for health insurance for yourself, your family or your employees. Open enrollment starts Nov. 1 and coverage starts Dec. 15. For those who may have difficulty with the cost of health insurance, HealthCare.gov has payment assistance that can lower monthly bills and discounts on out-of-pocket expenses like deductibles.

RED CROSS

Red Cross Services are provided throughout Kentucky thanks to the generous commitment of thousands of local volunteers who:

- Help individuals and communities prepare for, respond to and recover from disasters.
- Teach lifesaving skills to tens of thousands of individuals.
- Offer support to U.S. service members and their families in Kentucky and across the world.
- And provide lifesaving information to immigrant and migrant communities, promote international Humanitarian Law and reconnect families separated by war or disaster.
