

To the Friends of the Groggs - July

Jason Grogg / July 2023

Grace and Peace from God the Father and our Lord Jesus Christ.

Greetings brothers and sisters in Christ. I want to thank you all for your prayers and support while in prison. I prayed for all of you often, holding you near my heart. Do not be troubled by all that you have read, in time all that is hidden will be made known. We all need to confront the fact that the front line of the battle is a messy endeavor. If you have it in your mind that it should be easy and clean, like an operating room, you have neglected the Word of God.

We all need to be patient, considering by what standard we judge events and the time we declare God must work within. Is Jesus Christ not the Son of the almighty God? Didn't God pick the time, place, and manner, in which He died for the sins of the world? In so doing defeating Satan and **death** by his resurrection on the third day! Please recall that to get to that moment it took Jesus over 30 years. So, if all that I am going through takes me 3 months or 30 months it is God's will be done. Let us pray that it's only 3 months!

Psalm 37:1-7

*Fret not yourself because of evildoers;
be not envious of wrongdoers!
For they will soon fade like the grass
and wither like the green herb.
Trust in the LORD, and do good;
dwell in the land and befriend
faithfulness.*

*Delight yourself in the LORD,
and he will give you the desires of your
heart.*

*Commit your way to the LORD;
trust in him, and he will act.
He will bring forth your righteousness as
the light,
and your justice as the noonday.
Be still before the LORD and wait
patiently for him;
fret not yourself over the one who
prosper in his way,
over the man who carries out evil
devices!*

I know that God chose me. It started with him adopting me as His son. We all should confess this truth, there is not one who is good and none of us would have ever turned to him. God set in motion his plan to save the WHOLE WORLD and along the way, He saves us. Thus, I am a child of God. This means, as

you deal with your thoughts or what you have read or will read, those internal judgments, you judge with the same judgment you would cast on yourself.

The government of Dominica has terrorized my family, disregarding every God-given and constitutional right that should have protected my family from their evil. They have chosen to turn the justice of many into an option, having no care for what God's Word has to say.

Isaiah 5

*Woe to those who call
evil good and good evil,
who put darkness for light
and light for darkness,
who put bitter for sweet
and sweet for bitter!
Woe to those who are heroes
at drinking wine,
and valiant men in mixing drink,
who acquit the guilty for a bride,
and deprive the innocent of his right!*

Think about this; at the age of 44, I had never been arrested, never in handcuffs, nor in jail, never in court or in prison. But Dominica "special." Special in all the wrong ways. Special to the point of broken, which is why Christ sent us to proclaim His truth with power and authority, calling the Christians of the

island to Biblical reformation. How do we start to reform this broken island? One word: **REPENTANCE!** Reformation starts with repentance. Repentance of the individual, family, church, and state. NO ONE, *no one* is exempt from the coming wrath of God. Repentance is the only way.

Isaiah 1:16-17

*When you spread out your hands,
I will hide my eyes from you;
I will not listen;
your hands are full of blood.
Wash yourselves; make yourselves clean;
remove the evil of your deeds from
before my eyes; cease to do evil,
learn to do good; seek justice,
correct oppression;
bring justice to the fatherless,
plead the widow's cause.*

We have become like the Jews' of old whose mouth was full of worship to God but their feet were idle. Who said in their heart no one sees what I do in the dark, no one knows my hidden sin. You fool, you turned this land upside down! Repent and gain wisdom and understanding. Let God be your shield and your sword as he continues to be mine in all of this.

My brothers and sisters in Christ, dismiss the lies and slander. Be patient, all will be made clear in time. Speak directly with me and gossip not. Remember that the battle we fight is going to be messy. The front line is not a clean room, it is dirty, messy, and bloody; as it should be. "Why?" you ask. Because that is where the dragons are! Sons of Adam, we are called by Christ to be dragon slayers. Now is the time to choose Christ. Do NOT be part of the chaos, choose Christ!

My prayer from Dominica (Ps. 11):

God of heaven and earth, the foundations are being destroyed, what can the righteous do? Test the children of man, test the righteous. Bring all to repentance and if we do NOT repent, loose the foundations of the island, let the magma flow, rain coals on the wicked; may fire and sulfur and scorching wind fill their cup. Do all this until we acknowledge the LORD is righteous. You require righteous deeds! Amen.

Psalm 144:11-15

*Rescue me and deliver me
from the hand of foreigners,
whose mouths speak lies and whose
right hand is a right hand of falsehood.
May our sons in their youth
be like plants full grown,
our daughters like corner pillars
cut for the structure of a palace;
may our granaries be full,
providing all kinds of produce;
may our sheep bring forth thousands
and ten thousands in our fields;
may our cattle be heavy with young,
suffering no mishap or failure in bearing;
may there be no cry
of distress in our streets!
Blessed are the people to
whom such blessings fall!
Blessed are the people whose
God is the Lord!*
