August 2004

Master of Arts in the Social Sciences

Thesis regarding jurisprudence and medical sociology.

Purdue University; West Lafayette, IN

May 2002

Bachelor of Arts, Psychological Science and Law & Society

Senior thesis regarding transracial adoption.

Focus on pediatric psychology issues, including adult childhood cancer survivors and management of Type I Diabetes in non-compliant adolescents.

TEACHING EXPERIENCE

University of Louisville, Kent School of Social Work, January 2018—August 2021

Guest Lecture

MSCFT Course: "Working with children with disabilities and their families." Contemporary Issues in Couples and Family Therapy, September 2022.

Adjunct Faculty Instructor

BSW Courses: Introduction to Social Work Research (Fall 2019, Fall 2020)

MSSW Courses

Advanced Research Practice I (Fall 2019) Advanced Research Practice II (Spring 2020)

Social Justice Policy (Summer 2020, Fall 2020, Summer 2021, Fall 2021, Spring 2022, Summer 2022)

MSSW/CFT Courses

Contemporary Issues in Couples and Family Therapy (Spring 2018)

Family Therapy Supervision (Spring 2020, Fall 2020, Spring 2021, Fall 2021, Spring 2022)

PROFESSIONAL EXPERIENCE

- True North Counseling;** Louisville, KY August 2017—August 2022
Clinical Director
Provide individual, couples, and family therapy to clients seeking services for a variety of issues, including PTSD, bipolar disorder, complex grief, eating disorders, and personality disorders. Provide clinical supervision to pre-licensed clinicians in social work and couples and family therapy.
- Sage Support Services;** Louisville, Kentucky August 2017—August 2022
Positive Behavior Support Specialist
Provided individual, collateral, and family therapy for individuals with multiple disabilities, intellectual/developmental disabilities, and severe mental illnesses under the Michelle P Waiver.
- University of Louisville;** Louisville, Kentucky August 2015—May 2019
Community Advisor, Couples, and Family Therapy Program
Provided individual supervision for second-year graduate students in the Couples and Family Therapy program.
- Home of the Innocents;** Louisville, Kentucky April 2013—July 2017
Contractor, Community-Based Services
Provided individual, collateral, and family therapy for individuals with multiple disabilities, intellectual/developmental disabilities, and severe mental illnesses
- Home of the Innocents;** Louisville, Kentucky June 2011—March 2013
Behavioral Health Professional, Autism Services
Supervised 20 Bachelor's-level social workers who provided direct behavioral intervention for children with Autism Spectrum Disorder. Provided individual, couple, and family therapy in the autism services department, averaging 20 contact hours per week. Independent contractor starting April 1, 2013.
- Family and Children's Place;** Louisville, Kentucky May 2010—May 2011
Family Therapy Intern
Provided therapy for individuals and couples experiencing domestic violence, step-parenting, and developmental issues. Provided group therapy for women in recovery from substance use disorder.
- Jewish Family and Career Services;** Louisville, Kentucky May 2010—May 2011
Counselor
Provided therapy for a client base of individuals, couples, and groups. Provided preliminary diabetes education for newly-diagnosed adults. Facilitated sessions for 10 older adults working on chronic physical health issues. Delivered anti-bullying and safe relationship education to 50 pre-teens and teenagers.
- ChildPlace;** Jeffersonville, Indiana August 2009—April 2010
Therapist-in-Training
Designed and delivered a psychoeducational group for pregnant and parenting teenagers. Co-facilitated sessions for families of children in residential care. Provided therapy for a client base of individuals, couples, and families dealing with: Traumatic brain injury, intimate partner violence, sexual abuse, substance use disorder, trauma, reactive attachment, and chronic/critical illness.

The Center for Women and Families; Louisville, Kentucky

October 2006—September 2009

Volunteer Hospital Advocate/Volunteer Court Advocate

Met with domestic violence and sexual assault survivors in the hospital setting. Attended to clients while forensic examinations took place. Provided clients with support and information about legal options regarding Emergency Protective Orders (EPOs) and Domestic Violence Orders (DVOs) in family court.

Hyde Park Art Center; Chicago, Illinois

October 2003—June 2004

Program Coordinator, Education and Development

Compiled membership demographic statistics for 2006 HPAC expansion. Designed surveys to assess current student opinions. Wrote grant proposals for Chicago Parks District programs, Chicago After School Matters, the Lloyd Fry Foundation, and the National Endowment for the Arts. Assisted in fundraising efforts for capital gains campaign, including special events planning and contact with corporate partners in art. Planned and opened a student-run exhibition.

CURRENT GRANTS

National Science Foundation. \$5 Million. Community-Engaged Research Traineeship in Additive Manufacturing Innovations (CERTAMI). (PI: Sundar Atre, CO-Is: Becky Antle, Kunal Kate, Gautam Gupta, Will Metcalf; Evaluator: **Jennifer Kendrick**).

Creating Resilience Among Families in Transition (CRAFT). 2022-Present. \$2,500 one-time grant.

Through a grant from the Gheens Foundation, the pilot study will address parent-child dyadic relationships in unhoused families using quantitative surveys, curriculum delivery, in-depth interviews, and focus groups. (PI: Becky Antle; **Evaluator: Jennifer Kendrick**)

CURRENT CONTRACTS AND RESEARCH PROJECTS

Clinician Perspectives on ‘Rootines’: Measuring the Usability, Usefulness, and Acceptability of a Novel System for Parenting Support in Autism Care. This study evaluates Rootines (ASD.ai, LLC.; Red Oak, TX), an emergent web-based alternative to traditional paper diaries in pediatric behavioral healthcare. Understanding the usability, usefulness, and acceptability of Rootines as a diary system, as well as the specific desires of parents and clinicians poised to adopt similar technologies, is a crucial step to ensuring Rootines and future deep-data/AI-based diary tools develop toward practicable and ethical ends in behavioral healthcare. (PI: Lonnie Sears; Study Administrator: Isak Beck; **Evaluator: Jennifer Kendrick**)

Facilitators and Barriers of Healthcare Engagement among People who Inject Drugs with Bacterial or Fungal Infections Multi-state investigation of barriers to healthcare use for injectable substance users with serious fungal infections. (PI: Diana Ball, **Study Personnel: Jennifer Kendrick**)

Quality Improvement Center for Workforce Development (QIC-WD) Federal Workforce Grant Multi-site evaluation of agency culture and climate and its effect on child welfare workforce turnover, using administrative data, focus groups, in-depth interviews, and quantitative surveys. (PI: Anita Barbee, **Evaluator: Jennifer Kendrick**)

University of Louisville Black, Indigenous, People of Color (BIPOC) Faculty Retention/Turnover Study UofL has administered a contract to implement a mixed-methods study of interviews of (1) qualitative interviews of BIPOC faculty who have left the university and (2) quantitative survey of leavers

and stayers drawing on workforce research. (PI: Becky Antle, **Evaluator: Jennifer Kendrick**)

Key Assets (funded). 2019-present. \$38,000/year. (PI: Becky Antle. **Evaluator: Jennifer Kendrick.**) Key Assets offers residential, therapeutic, and support services to special needs children in out-of-home care. Key Assets has negotiated a contract with the CFCWB to do the following: 1) Operationalization of outcome measures and data collection methods; 2) Analysis of outcome data and reporting for various audiences; and 3) Administrative oversight, advanced analytics, and collaborative research development. CFCWB also contracted to conduct trauma-informed organizational assessment and training for the entire organization.

Perception of empathy and compassion of maternal health providers from prenatal to one-year postpartum. (PIs: Karlynn BrintzenhofeSzoc, PhD, Emma Sterrett-Hong, PhD; **Research assistant: Jennifer Kendrick.**) This study, conducted in collaboration with Florida Polytechnic University, Florida Southern College, and Lakeland Regional Healthcare System, aims to collect preliminary data from individuals who have received prenatal, obstetric, and postpartum care in 2022. Data will be used in the development of an R 21 grant.

FUNDING UNDER REVIEW

GRANTS AND CONTRACTS ATTEMPTED; NOT FUNDED

Health Equity Innovation Hub. Creating Resilience Among Families in Transition. (July 2021). PI: Becky Antle; Research Manager: Jennifer Kendrick. Parent education programming for unhoused families. **\$64,000.**

University Sports Medicine. (July 2021). Meeting the mental health needs of college athletes. PI: Becky Antle.
\$120,000.

Reducing maternal mortality and morbidity among BIPOC individuals through the use of postpartum community-based doulas (PI: M. Cynthia Logsdon, PhD; Research Coordinator: Jennifer Kendrick). This R 21 grant aims to reduce maternal mortality and morbidity among BIPOC individuals living in historically under-served communities through long-term relationships with community-based postpartum doulas.
