## Happy Thanksgiving!!

As we get ready to celebrate this wonderful season for all our blessings our Lord Jesus has blessed us with this year, I would like to dedicate this newsletter to highlight the blessings ICBC has received because of your prayers and support. Thank you so much for standing with us and believing in us. We wouldn't be able to do any of this without you.

The Mahindra portable generator came in handy during the catastrophic flooding in Kerala. It generated power to one of the buildings being used as a relief camp. This generator will also be used for mobile evangelism.

We have used the sound system for several revivals in the neighboring towns and in our special chapel services.

This vehicle has many purposes and is used several times every day. One of its uses is for transporting groceries to the college as well as firewood to be used for cooking, and building materials for construction. This vehicle was also instrumental in transporting goods and supplies in between relief camps during the Kerala flood.

The baptistry has been a dream of the Bihar ministry's for many years. Prior to having this baptistry, they were going to the nearby river to conduct baptisms where they would subsequently contract ringworms. This baptistry is an answered prayer for this ministry and we had 63 members from our church who were baptized here.

Again thank you so much for your commitment and dedication to love the people of God clear across the world. May God richly bless each of you.

Happy Thanksgiving

Laly Joseph - Director of Publicity & Promotions
